The Only Way To Cross:

The Only Way to Cross John Maxtone-Graham,1972 The North Atlantic Run John Maxtone-Graham,1972 *The Only Way to Cross Reissue* John Maxtone-Graham,1986 *In the Beginning!* Ed Pal,2019-10-09 My name is Ed Pal and I am a Bible believer I am a believer because the Bible is the only Word that reveals the Truth of the Creator in relation to His creatures I wrote this book to exhort the readers to be aware of the importance of acknowledging the Truth of the Bible I know The Truth and the lie have become so mixed up these days that we cannot distinguish which is which anymore We got so used to the lie that it became part of our daily life We like so much to lie that we fell in love with it We love so much to lie that if we don t lie we feel uncomfortable We love so much to lie that we even lie to ourselves We love so much to lie that we lie even if it is not convenient And to lie is always not convenient because it causes only troubles Even though we love to lie to others we hate that others are lying to us Even so we don t like to hear the Truth either But contrary to all this confusion The Truth of the Bible will free us from the woes to come Rev 8 13 I believe that there is no creation without the Creator and no Truth without the Truth of the Bible And the Truth reveals that intelligent life can only proceed from intelligent life And so since the intelligent creation reveals the Intelligent Creator whoever neglects or ignores the revelation of the Word on the Judgement Day will have no justification before the Throne of God God Bless Us All The Crown&Glory of Christianity: Or Holiness, the Only Way to Happiness, Etc Thomas Brooks,1662 **HuntinGOD** Gary Hall,2019-05-09 Have you ever asked yourself what is the purpose of the created universe As we traverse field woods pond creek lake and woods our surroundings call out to us about the meaning of the universe The stars clouds sun trees scrubs ponds lakes seas bays creeks rivers and grasses overwhelm our senses as they were created to do We see ourselves as infinitely small in relation to the universe It puts us in our place as it was created to do We feel overwhelmed with the scope of nature that surrounds us It makes us insignificant That is our place in creation It pushes points and calls us to look beyond the creature we are and the creation in which we live There is a huge learning curve in becoming an effective hunter fisherman conservationist or water fowler The time it takes to learn the game sought habitat instinctual behavior seasons and movement requires much time afield Imagine the creator of the universe is pursuing you he knows your every move he knows where you are going to go and what you are going to do before you do it He purses you to love you Psalm 8 3 says When I view and consider Your heavens the work of Your fingers the moon and the stars which you have ordained and establish What is man that You are mindful of him and the son of earthborn man that you care for him This planet earth cries out every day what this universe it about the glory and greatness of God It is not crying out the significance of man All of creation cries out wise beautiful masterful powerful unfathomable God The scope and depth and breadth and height of creation is the understatement of God It demands us to take humble ourselves before the creator and redeemer of humanity Our place is not as God of the universe but to recognize and glorify the creator and our redeemer **Prisons of Our Mind and the Road to Freedom** John Mathai,2010-12

Psychological and spiritual insights of a personal journey in understanding the workings of our mind *Morning and Evening Meditations from the Word of God* Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God *Nature* ,1889 [Light Up the Dungeon ... The King Descends](#) Scott B. Koch, 2008-12 The dungeon was always that dark place beneath us We prefer to not enter there for the very purpose it serves We prefer to remain above in our understanding appreciation our loves and we deem that to be living But isn t below merely the result of what we do above We remove it from the light and cast it into that darkness so it is unseen so it seems It s there festering and filling up but we can t seal it because we need it so it seems Perhaps the real dungeon is right where we are just as cold and dark It is this that we need to light up to understand what must be purged and what must be salvaged And what is salvagable God has made and what must be purged man has fostered Scott Koch hails from Phoenixville Pennsylvania Although he was a technical school graduate with honors he never found any of those fields to be inspirational even though his skills are diverse He grew up in a neighborhood with an older brother and a younger sister and brother and was packed with kids He considers himself a spoiled poor kid because of this and the fact that it wasn t far to get to a field woods or a creek or river Of course the fields and woods are gone now so others may have quite a different childhood Our author was always drawn to the abstract or the not so evident but would also express that Van Gogh merely had his grandchild do his paintings because he could do no less Scott now resides in Pottstown PA with his wife Trudy Scott B Koch
