The Operetta:

The Operetta Empire Micaela Baranello, 2021-05-25 CHOICE Outstanding Academic Title 2022 When the world comes to an end Viennese writer Karl Kraus lamented in 1908 all the big city orchestras will still be playing The Merry Widow Viennese operettas like Franz Lehár's The Merry Widow were preeminent cultural texts during the Austro-Hungarian Empire's final years Alternately hopeful and nihilistic operetta staged contemporary debates about gender nationality and labor The Operetta Empire delves into this vibrant theatrical culture whose creators simultaneously sought the respectability of high art and the popularity of low entertainment Case studies examine works by Lehár, Emmerich Kálmán, Oscar Straus and Leo Fall in light of current musicological conversations about hybridity and middlebrow culture Demonstrating a thorough mastery of the complex early twentieth century Viennese cultural scene and a sympathetic and redemptive critique of a neglected popular genre Micaela Baranello establishes operetta as an important element of Viennese cultural life one whose transgressions helped define the musical hierarchies of its day The Legacy of Johann Strauss Zoë Alexis Lang, 2017-04-06 To this day Johann Strauss Jr remains one of the most popular composers in his native city of Vienna In The Legacy of Johann Strauss Zoë Alexis Lang examines how the reception of Strauss's waltzes played a key role in the construction of twentieth century Austrian identity Using press coverage from the centennial celebration of Strauss's birth in Vienna Lang argues that his music remained popular because it continued to be revitalised by Austrians seeking to define their culture Revealing the origins of the Vienna Philharmonic's New Year's Concert Lang considers how Strauss was appropriated as a National Socialist icon in the 1930s and 1940s and explores the Strauss family's Jewish ancestry along with the infamous forgery of paperwork about their lineage during the 1940s This book also includes a case study of Strauss's Emperor Waltz considering its variegated usage in concerts and films from 1925 to 1953 **The Law of Unfair Competition and Trade-marks** Harry Dwight Nims, 1917 The Complete Book of 1930s Broadway Musicals Dan Dietz, 2018-03-29 Despite the stock market crash of October 1929 thousands of theatregoers still flocked to the Great White Way throughout the country's darkest years In keeping with the Depression and the events leading up to World War II 1930s Broadway was distinguished by numerous political revues and musicals including three by George Gershwin Strike Up the Band Of Thee I Sing and Let Em Eat Cake The decade also saw the last musicals by Gershwin Jerome Kern and Vincent Youmans found Richard Rodgers and Lorenz Hart in full flower and introduced both Kurt Weill and Harold Arlen's music to Broadway In The Complete Book of 1930s Broadway Musicals Dan Dietz examines in detail every musical that opened on Broadway from 1930 through 1939 This book discusses the era's major successes notorious failures and musicals that closed during their pre-Broadway tryouts It includes such shows as Anything Goes As Thousands Cheer Babes in Arms The Boys from Syracuse The Cradle Will Rock The Green Pastures Hellzapoppin Hot Mikado Porgy and Bess Roberta and various editions of Ziegfeld Follies Each entry contains the following information Plot summary Cast members Names of all important personnel including writers composers directors

choreographers producers and musical directors Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Production data including information about tryouts Source material Details about London and other foreign productions Besides separate entries for each production the book offers numerous appendixes including a discography filmography and list of published scripts as well as lists of black themed and Jewish themed productions This comprehensive book contains a wealth of information and provides a comprehensive view of each show The Complete Book of 1930s Broadway Musicals will be of use to scholars historians and casual fans of one of the greatest decades in musical theatre history **Fragments of Modernity (Routledge Revivals)**

David Frisby, 2013-09-13 Fragments of Modernity first published in 1985 provides a critical introduction to the work of three of the most original German thinkers of the early twentieth century In their different ways all three illuminated the experience of the modern urban life whether in mid nineteenth century Paris Berlin at the turn of the twentieth century or later as the vanguard city of the Weimar Republic They related the new modes of experiencing the world to the maturation of the money economy Simmel the process of rationalization of capital Kracauer and the fantasy world of commodity fetishism Benjamin In each case they focus on those fragments of social experience that could best capture the sense of modernity

Musical Theater Alyson McLamore, 2016-09-16 For Surveys of Musical Theater Music Appreciation courses and Popular Culture Surveys This unique historical survey illustrates the interaction of multiple artistic and dramatic considerations with an overview of the development of numerous popular musical theater genres This introduction provides more than a history of musical theater it studies the music within the shows to provide an understanding of the contributions of musical theater composers as clearly as the artistry of musical theater lyricists and librettists The familiarity of the musical helps students understand how music functions in a song and a show while giving them the vocabulary to discuss their perceptions

The Operetta Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Operetta has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Operetta has opened up a world of possibilities. Downloading The Operetta provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Operetta has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Operetta. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Operetta. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Operetta, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Operetta has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
