This book brings a new and realistic view about the Theory of Alien Gods showing its links with an unknown form of energy whose existence has been experimentally confirmed by the author. It is the first time in history that energy base features of extraterrestrial technology have been exposed to the public with clarity and simplicity as well as showing what their use can mean for humanity. The chronicles approach the origins of matter, Earth, water, man, gods, and contradict some scientific and religious paradigms. The Sumerian, Biblical, and human versions of the creation of man are compared, and the amazing conclusions are supported by scientific experiments. Intelligent hybrid beings are shown to be products of alien genetic manipulation. We have DNA that emits and receives subtle radiation and can be teleported to produce human-like beings. We have a fantastic homeostasis that needs to be revitalized in order to live longer with a better quality of life. One of the topics teaches the reader to convert part of his soul into visible radiation. One of the topics teaches the reader to convert part of his soul into visible radiation. The About Intelligent Life Series is not an exercise in futurology but the result of 10 years of research on real phenomena which bring the certainty that in order to evolve it is necessary to rewrite the history of our planet in an intelligible way without casuistry or religious mysticism.

7 Sexes & the Origin of Man Sri Sunkara Sankacharya, 2023-04-12

Sri Sanyassian Sunkara Sankacharya. Amazing, shocking, overwhelming, fascinating, intriguing. Concepts which have eluded clear expression for thousands of years. Where did the race originate? Why are we here? Does Human personality survive the Death of the Body? Where will we be after Death? What is the purpose of the life experience? What to believe? Who has the Truth? Where is the evidence? What is the Correct Philosophy? *7 Sexes* is not for the timid or the easily offended. It is not the intent to give offence; however, the contents are outside of one's Educational experience beyond Orthodox Institutional Teachings. The Biblical Saviour taught: Seek the Truth. Mahatma Gandhi taught: Hang on to Truth. Sri Sunkara, Spiritual Philosopher of the age, delivers Herein the Truth to set you Free. The controversial author of *VEDANTA Bhagavad Gita 2000* and *ASK* Were you there asked: The Tree of Knowledge. How did It start? The Spirit in the Tree responded: Out of Africa, they say. Nay, Nay, Nay. Tree does sway Long afore before any Country, world, or Galaxy were Far Beyond the Physical. You will find Humanity's Self-starter Science State Empowering Feeding Confusion's Charter. Today's Belief Systems offer several choices, none of which withstand the scrutiny of time. The youth are offered a God, a Supreme Male Being, Darwin's theory of Evolution from an Ape, a Science of Big Bang from a Black Hole, or an end to physical Life leading to Nothingness. Madame Helena Petrovna Blavatsky, internationally acclaimed Medium Theosopher, wrote 1,550 pages in a Doctrine representing over 632,000 words. The dreaded word SEX appears three times. If mankind is not a race immersed in sexuality, then what is it? Knowledge of the complexities of the Spiritual Rounds, Rings, Chains, and Sub-races will not make the AIDS virus go away, nor solve the personal problems of the potential Suicide, nor bring you who read these words enlightenment or happiness. Sri Sunkara provides indisputable Evidence to support the Spiritual Reality of Existence, an intelligent fact-based cosmic sense alternative to the Status Quo. Now Revealed to the outer world, the Hidden history of the ancient race of human
