A must read for anyone interested in the future of education society and indeed reality and for all who have experienced or would like to experience amazement. Priscilla Wald author of *Contagious Cultures: Carriers and the Outbreak Narrative*. What would happen if we reimaged the humanities as the superhumanities. If we acknowledged and celebrated the undercurrent of the fantastic within our humanistic disciplines entirely new cultural worlds and meanings would become possible. That is Jeffrey J. Kripal's vision for the future to revive the suppressed dimension of the superhumanities which consists of rare but real altered states of knowledge that have driven the creative processes of many of our most revered authors artists and activists. In Kripal's telling the history of the humanities is filled with precognitive dreams evolving superhumans and doubled selves. The basic idea of
