Francis Herreshoff, 2022-06-15 The Golden Age of Yachting presents a panoramic view of yachting providing an insightful introduction to the pleasures, craft and history of the sport with emphasis on the era of the great steam yachts. It is a meticulous account based on accurate knowledge and detailed research. Most yachting histories have been so much influenced by the nationality of the author that the British and American versions are quite different but L. Francis Herreshoff was equally familiar with both sides. He has given a much more factual account of the international races than can be found in other writings. This book will appeal to the large group of amateur and professional seamen who strive to keep alive the traditions and lore of sail. The book was first published by Sheridan House in 1963 under the title *An Introduction to Yachting* and reprinted in 1980.
