The Complete Guide to German Shepherds David Daigneault, 2019-04-09 Regarding The Complete Guide To German Shepherds I can only say Awesome. We have had GSD's for many years and we were really impressed with the information and the format of the book. If I was asked what was missing in this book I would answer nothing. Well written insightful and a fun read. Brian Nainby GSD owner I love this book simply because you can tell it is written by someone who also loves the German Shepherd breed. Sam Ireland GSD owner Taking the first step in deciding to get a dog can be a difficult one. Where do you start? Well how about right here and right now. The Complete Guide to German Shepherds is just that. The A to Z guide for the breed written in simple language. Why and when should you consider a German Shepherd? The Complete Guide to German Shepherds has those answers and many more. Not all dogs are created equal. When it comes to GSD's that's the short way to say German Shepherd Dog they are truly a breed apart. They are large dogs agile fast aggressive and intimidating if you want them to be. They are smart loyal inquisitive persistent protective and willing to push the boundaries. They're also willing to push your buttons if you let them. Sound like the dog for you? Sound like a challenge? You bet they are but the payoff is a best friend who will never leave your side. Let's be honest here GSD's aren't for everyone. However if you have your heart set on one of America's most popular breeds this book will give you a great grounding on the path ahead of you. German Shepherds can be a tremendous challenge to your ego. They don't always want to do what you want them to. You have to give them a good reason.
