The Management Shift V. Hlupic, 2014-10-29 Research shows that corporate life expectancy and performance have declined 75% in the last 50 years organizations need a different approach if they are to survive let alone thrive While people are often stated as a company s greatest asset few businesses have a clear model of leadership that

improves engagement removes barriers to innovation and uncovers hidden strengths in people and the organization This book addresses that need and more importantly demonstrates HOW organizations can make The Management Shift to a new way of thinking and working Professor Hlupic argues that organizations now need to adopt a leadership style that focuses on people purpose and knowledge sharing creating new types of value and ultimately improving innovation and engagement leading to improved business Based on leading edge research supported by numerous case studies which demonstrate the power and impact of change The Management Shift offers managers a practical and systemic approach to diagnose leadership issues in their organization It then provides an implementation process to shift their mindset and organizational culture to the new level of thinking performance and ultimately business success *Making Sense of Change Management*

Esther Cameron, Mike Green, 2012-05-03 Written for students and professionals alike Making Sense of Change Management is the classic text in the field of change management It is aimed at anyone who wants to understand why change happens how it happens and what needs to be done to make change a welcome rather than a dreaded concept It offers considered insights into the many frameworks models and ways of approaching change and helps the reader to apply the right approach to each unique situation This completely revised and fully updated new edition includes new chapters on managing change in tough and uncertain times and the deeper skills of becoming a true agent of change **Change Management: Concepts and Strategies**, 2024-10-26 Designed for professionals students and enthusiasts alike our comprehensive books empower you to stay ahead in a rapidly evolving digital world Expert Insights Our books provide deep actionable insights that bridge the gap between theory and practical application Up to Date Content Stay current with the latest advancements trends and best practices in IT AI Cybersecurity Business Economics and Science Each guide is regularly updated to reflect the newest developments and challenges Comprehensive Coverage Whether you re a beginner or an advanced learner Cybellium books cover a wide range of topics from foundational principles to specialized knowledge tailored to your level of expertise Become part of a global network of learners and professionals who trust Cybellium to guide their educational journey www.cybellium.com
