Read the reading comprehension text carefully and order the questions correctly.

A Sea Adventure

Once upon a time, there was a curious young woman named Sarah who dreamed of adventure and exploration. She had always been fascinated by the ocean, and one day, she decided to take her passion to the next level.

Sarah gathered all of her diving gear and set out for the ocean, determined to uncover the secrets hidden beneath the waves. She had heard rumors of an ancient sunken city located in the depths of the sea, and she was determined to find it.

After hours of searching, Sarah finally stumbled upon a mysterious underwater cave. With a deep breath, she plunged into the water and swam into the dark abyss. As she descended deeper and deeper, she saw strange and wonderful creatures she had never seen before, like schools of colorful fish and giant jellyfish.

Finally, after what felt like hours of swimming, Sarah emerged into a breathtaking underwater city. She was amazed by the towering ruins and intricate architecture of the lost city. She spent hours exploring the sunken buildings, discovering treasures and ancient artifacts along the way.

However, as she was admiring an ancient statue, Sarah felt a sudden rumble in the water. She looked up and saw a massive shadow looming in the distance. A giant octopus was heading her way, its tentacles waving menacingly.

Sarah knew she had to act fast. She quickly donned her diving gear and used her quick thinking and resourcefulness to outsmart the octopus, dodging its tentacles and finally escaping its grasp.

Exhausted but exhilarated, Sarah returned to the surface with her incredible story and treasure trove of ancient artifacts. From that day on, she became known as the greatest underwater explorer in the world, inspiring countless others to follow in her footsteps and discover the wonders of the deep sea.
