The Magnificent Century Thomas Bertram Costain,1962 **The Last of the Plantagenets** Thomas Bertram Costain,1962 **The Stem Family in Eurasian Perspective** Antoinette Fauve-Chamoux,Emiko Ochiai,2009 Is the Asian stem family different from its European counterpart This question is a central issue in this collection of essays assembled by two historians of the family in Eurasian perspective The stem family is characterized by the residential rule that only one married child remains with the parents This rule has a direct effect upon household structure In short the stem family is a domestic unit of production and reproduction that persists over generations handing down the patrimony through non egalitarian inheritance In spite of its ambiguous status in current family typology as something lurking in the valley between the nuclear family and the joint family the stem family was an important family form in pre industrial Western Europe and has been a focus of the European family history since Fr d ric Le Play and more recently Peter Laslett However the encounter with Asian family history has revealed that many areas in Asia also had and still have a considerable proportion of households with a stem family structure The stem family debate has entered a new stage In this book some studies that benefited from recently created large databases present micro level analyses of dynamic aspects of family systems while others discuss more broadly the rise and fall of family systems past and present A main concern of this book is whether the family type in a society is ethno culturally determined and resistant to changes or created by socio economic conditions Such a comparison that includes Asian countries activates a new phase of the discussion on the stem family and family systems in a global perspective **The Church a Family** Frederick Denison Maurice,1850 **The Family and Its Members** Anna Garlin Spencer,1923 The History of the Hawtrey Family Florence Molesworth Hawtrey,1903 The Old Family Doctor Henry Clark Brainerd,1905 Fictional sketches of a rural family doctor in his community **Revival: The Family (1931)** Franz Carl Muller-Lyer,2019-01-15 This book is a sociological study of the institution of marriage in all its possible forms and a discussion of family and of kinship What were marriage and the family in the dim red dawn of man How have they changed and evolved What is their probable future This clear and comprehensive book written by a leading sociologist answers these questions with a wealth of material from a thoroughly modern point of view and without traditional prejudices **The Churchman's family magazine** , **The Importance of Family Religion** Samuel Gover Winchester,1856 *Family Romance.
