

The Conservative Party Politics Today

**Keith Robbins, American Historical
Association, Royal Historical Society
(Great Britain)**

The Conservative Party Politics Today:

The Conservative Party and the nation Arthur Aughey, 2018-04-03 This book re examines the claim of the Conservative Party to be the national party and in its politics to express the enduring national interest It explores the historical character of the Conservative Party in particular the significance of the nation in its self understanding It addresses the political culture of the modern party one which proclaims a Unionist vocation but rests mainly on English support and considers how the Englishness of the party is reconciled with the politics of British statecraft It considers the constitutional challenges which the Conservative Party faces in managing a changing Union in negotiating a changing Europe and in defining a changing national interest The book is essential reading not only for students and scholars of the Conservative Party but also for those who want to make sense of the transformations taking place in modern British politics **The Conservative Party** Tim Bale, 2017-01-19 The Conservatives are back and back with a bang two election wins in a row and providing they can hold things together in a pretty good position to win another But many questions about their recent past present and future still remain Just why did the worlds oldest and most successful political party dump Margaret Thatcher only to commit electoral suicide under John Major And what stopped the Tories getting their act together until David Cameron came along Did Cameron change his party as much as he sometimes liked to claim or did his leadership both in opposition and in government involve more compromise and more Conservatism than we realize Finally what does the result of the EU referendum mean for the Party in years to come The answers as this accessible and gripping book shows are as intriguing and provocative as the questions Based on in depth research and interviews with the key players Tim Bale explains how and why the Tories lost power in 1997 and how and why they have eventually been able to rediscover their winning ways even if internal tensions and external challenges mean they still cant take anything for granted Crucial he suggests are the people the power structures the ideas and the very different interests of those involved This second edition of The Conservative Party From Thatcher to Camerons is a must read for anyone wanting to understand what makes the Tories tick The Politics Today Dictionary of British Politics Bill Jones, 2004 From Diane Abbott to George Young via Keynesianism and Thatcherism from Major to Millbank and from New Labour to Norman Tebbit this book is the ultimate student reference guide to British politics With over one thousand entries the book covers the personalities policies and institutions that have shaped British politics with special emphasis on developments since the beginning of the twentieth century This is the ideal instant reference book on British politics providing readers wiith short authoritative explanations and definitions of key terms institutions offices of state political events processes and policies as well as biographies of well known politicians political thinkers movements and theorists Any student unsure of a term an event the details of the life of a prominent politician or the inner workings of an institution can turn to this book for immediate assistance Party Politics: Volume 2 Ivor Jennings, 2010-02-25 An historical analysis of the nature growth and activity of organised political parties in England from the

Civil War to the general election of 1959 **Party Politics** Sir Ivor Jennings,1961 The territorial Conservative Party Alan Convery,2016-07-15 How did the territorial Conservative Party adapt to devolution This detailed analysis of the Scottish and Welsh Conservative Parties explains how they moved from campaigning against devolution to sitting in the Scottish Parliament and Welsh Assembly Tracing the processes of party change in both parties this study explains why the Welsh Conservatives unexpectedly embraced devolution while the Scottish Conservatives took much longer to accept that Westminster was no longer the priority This book will be of interest to students of British Scottish and Welsh politics and anyone who is interested in the Conservative Party It also speaks to wider debates about the nature of devolution party change and multi level governance Understanding British Party Politics Stephen Driver,2011-05-16 This is an excellent text which charts a safe path for students through the minefield that is contemporary British party politics in a wonderfully efficient yet engaging way Colin Hay University Of Sheffield *British Party Politics and Ideology after New Labour* S. Griffiths,K. Hickson,2009-11-18 British Party Politics and Ideology after New Labour brings together academics and politicians to debate the intellectual roots of the ideas that currently drive the main UK political parties With major players responding to the arguments raised in each chapter the book will be a must read for anyone interested in or teaching British politics **The Conservative party and social policy** Hugh Bochel,2011-03-23 With the Conservative Party breaking new ground in forming a coalition government with the Liberal Democrats this book examines the development and content of the Conservatives approaches to social policy and how they inform the Coalition s policies Chapters cover the development of Conservative Party social policy and specific policy areas The book will be of interest to academics undergraduate and postgraduate students and everyone with an interest in the Conservative Party and the Coalition government s social policies

Radical Politics in Britain R. G. Williams,2022-07-13 This book is a study of British politics from a Socialist and Left wing perspective It outlines the causes and consequences of the contemporary crisis in British society since 2008 and the impact they may have on the Left **Considering Conservative Women in the Gendering of Modern British Politics** Clarisse Berthezène,Julie V. Gottlieb,2020-12-17 This volume examines how the British Conservative Party has appealed to women the roles that women have played in the party and the tense relationship between women s activism on the Right and feminism Covering the period since the early 20th century the contributions each question assumptions about the reactionary response of the British Right Margaret Thatcher s party to women s issues and to their political aspirations How have women been mobilized by the Conservative Party What kind of party appeals has the British Conservative Party designed to attract women as party workers and as voters Developing successful strategies to attract women voters since 1918 and appealing to certain notional women s issues and having produced the only two women Prime Ministers of the UK the Conservative Party has its own special relationship with women in the modern period The shifting status of women and opportunities for women in politics in modern Britain has been garnering more scholarly attention recently and the centenary of women s partial

suffrage in 2018 and Astor 100 in 2019 has done much to excite wider attention and public interest in these debates However the role of Conservative women has too often been seen as problematic especially because of general assumption that feminism is only allied to leftist movements and political positions This volume explores these themes through a range of case studies covering the period from the early 20th to the 21st century The chapters in this book were originally published as a special issue of the journal *Women's History Review* *A Bibliography of British History, 1914-1989* Keith

Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index *Cross-Party Politics in Britain, 1945-2019* Alan Wager, 2024 From Winston Churchill to Nick Clegg Tony Blair to Nigel Farage elite British politicians have privately and publicly toyed with the concept of co operating with their competitors *Cross Party Politics in Britain 1945 2019* takes a historical comparative look at seven such cases from the last 80 years

Religion and Canadian Party Politics David Rayside, Jerald Sabin, Paul E.J. Thomas, 2017-06-07 Religion is usually thought of as inconsequential to contemporary Canadian politics *Religion and Canadian Party Politics* takes a hard look at just how much influence faith continues to have in federal provincial and territorial political arenas Drawing on case studies from across the country this book explores three important axes of religiously based contention in Canada Early on there were the denominational distinctions between Catholics and Protestants that shaped party oppositions Since the 1960s a newly politicized divide opened between religious conservatives and political reformers Then from the 1990s on sporadic controversy has centred on the recognition of non Christian religious minority rights Although the extent of partisan engagement with each of these sources of conflict has varied across time and region this book shows that religion still matters in shaping party politics This detailed look at the play of religiously based conflict and accommodation in Canada fills a large gap and pulls us back from overly simplified comparisons with the United States More broadly this book also compares the role of faith in politics in Canada to that of other Western industrialized societies **The Tories** Timothy Heppell, 2014-03-13 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com This book offers a comprehensive and accessible study of the electoral strategies governing approaches and ideological thought of the British Conservative Party from Winston Churchill to David Cameron Timothy Heppell integrates a chronological narrative with theoretical evaluation examining the interplay between the ideology of Conservatism and the political practice of the Conservative Party both in government and in opposition He considers the ethos of the Party within the context of statecraft theory looking at the art of winning elections and of governing competently The book opens with an examination of the triumph and subsequent degeneration of one nation Conservatism in the 1945 to 1965 period and closes with an analysis of the party's re entry into government as a coalition

with the Liberal Democrats in 2010 and of the developing ideology and approach of the Cameron led Tory party in government *The End of British Party Politics?* Roger Awan-Scully, 2018-04-05 Elections ask voters to choose between political parties But voters across the UK are increasingly being presented with fundamentally different and largely disconnected sets of political choices This book is about this hollowing out of a genuinely British democratic politics how and why it has occurred and why it matters Electoral choices across Britain became increasingly differentiated along national lines over much of the last half century In 2017 for the second general election in a row four different parties came first in the UK's four nations UK voters are increasingly faced with general election campaigns that are largely disconnected from each other At the same time voters acquire much of their information about the election from news media based in London that display little understanding of these national distinctions The UK continues to elect representatives to a single parliament But the shared debates and sets of choices that tie a political community together are increasingly absent Separate national political arenas and agendas still have to interact but in some respects the House of Commons increasingly resembles the European Parliament whose members are democratically chosen but from a disconnected series of separate national electoral contests This is deeply problematic for the long term unity and integrity of the UK *British Politics Today* Bill Jones, Dennis Kavanagh, 2003 Over the last thirty five years British politics has undergone something of a revolution the collapse of strong class allegiance to parties the recovery of an economy once perceived to be in terminal decline the near twenty year rule of the Tories and the extraordinary emergence and establishment of the Blairite New Labour Party Together with these changes we have also seen the reshaping of the civil service the establishment of devolved assemblies the reform of the Lords the decline of ideology the apparent crushing of the Conservative Party and the ubiquity of media management as a tool of political persuasion This text outlines and contextualizes these major changes and more

The Tories and Television, 1951-1964 Anthony Ridge-Newman, 2016-11-08 This book explores the role of television in the 1950s and early 1960s with a focus on the relationship between Tories and TV The early 1950s were characterized by recovery from war and high politics Television was a new medium that eventually came to dominate mass media and political culture But what impact did this transition have on political organization and elite power structures Winston Churchill avoided it Anthony Eden wanted to control it Harold Macmillan tried to master it and Alec Douglas Home was not Prime Minister long enough to fully utilize it The Conservative Party's relationship with the new medium of television is a topic rich with scholarly questions and interesting quirks that were characteristic of the period This exploration examines the changing dynamics between politics and the media at grassroots and elite levels Through analysing rich and diverse source materials from the Conservative Party Archive Anthony Ridge Newman takes a case study approach to comparing the impact of television at different points in the party's history In mapping changes across a thirteen year period of continual Conservative governance this book argues that the advent of television contributed to the party's transition from a

membership focused party to a television centric professionalized elite *The Greening of British Party Politics* Mike Robinson, 1992 This work based on over 60 interviews between 1986 and 1990 with politicians from each of the major British political parties is concerned with an examination of the environmentalism politics interface and how the major parties are responding in real terms to the environmental challenge **The Conservative Party and the Trade Unions** Peter Dorey, 2006-04-07 Peter Dorey examines the attitudes and policies of the Conservative Party towards the trade unions from the nineteenth century onwards He links these to wider political and economic circumstances and studies the key personalities involved There has always been disagreement within the Conservative Party as to how it should deal with the trade unions These disagreements have in large part reflected divisions within British Conservatism itself

When somebody should go to the books stores, search inauguration by shop, shelf by shelf, it is in point of fact problematic. This is why we offer the books compilations in this website. It will enormously ease you to see guide **The Conservative Party Politics Today** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. The Conservative Party Politics Today Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Conservative Party Politics Today has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Conservative Party Politics Today has opened up a world of possibilities. Downloading The Conservative Party Politics Today provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Conservative Party Politics Today has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Conservative Party Politics Today. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Conservative Party Politics Today. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Conservative Party Politics Today, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Conservative Party Politics Today has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Conservative Party Politics Today Books

1. Where can I buy The Conservative Party Politics Today books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
