M. Gray, 1921 **The Contemporary Review**, 1921 **Jesus Christ for Contemporary Life** Don Schweitzer, 2012-02-13 Jesus Christ for Contemporary Life is an understanding of Jesus as the Word of God grounded in what can be known historically of Jesus and informed by subsequent reflection upon him which hopes to help shape a Christian identity characterized by bounded openness In Jesus Christ for Contemporary Life Don Schweitzer explores the significance of the person work and

relationships of Jesus Christ for contemporary life He moves from the historical Jesus to the present in three parts In the first part Schweitzer develops an understanding of Jesus as the Word of God who became incarnate to give the goodness and beauty of God further expression in time and space Second he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives And finally Schweitzer explores how Jesus relates to people in the church to the events and movements in history to other religions and to Christians in their dialogue with God in prayer

Issues in Contemporary Christian Thought Duane Olson, Olson s clear and concise overview roots contemporary questions firmly in Christian responses to the Enlightenment He discusses the range of contemporary opinions their rationales and what s at stake Olson illustrates these alternate frameworks as they play out in central concerns over the being of God in relation to the universe how to understand the figure of Christ today and the distinctively new notions of being human Specifically geared to the novice theologian in college or seminary settings Olson s text includes Reflection Research Questions Suggestions for Further Reading and a Glossary

The Bible in the Contemporary World Richard Bauckham,2015-11-30 A crucial responsibility for Christian interpreters of Scripture says Richard Bauckham is to understand our contemporary context and to explore the Bible s relevance to it in ways that reflect serious critical engagement with that context In this book Bauckham models how this task can be carried out Bauckham calls for our reading of Scripture to lead us to greater engagement with critical issues in today s world including globalization environmental degradation and widespread poverty He works to bring biblical texts to bear on these contemporary realities through the Bible s metanarrative of God and the world according to which God s purpose takes effect in the blessing and salvation and fulfillment of the world as his cherished creation

Sharing Friendship John B. Thomson,2016-03-03 Sharing Friendship represents a post liberal approach to ecclesiology and theology generated out of the history practices and traditions of the Anglican Church Drawing on the theological ethics of Stanley Hauerwas this book explores the way friendship for the stranger emerges from contextually grounded reflection and conversations with contemporary Anglican theologians within the English tradition including John Milbank Oliver O Donovan Rowan Williams Daniel Hardy and Anthony Thiselton Avoiding abstract definitions of character mission or friendship John Thomson explores how the history of the English Church reflects a theology of friendship and how discipleship in the New Testament the performance of worship and the shape of Anglican ecclesiology are congruent with such a theology The book concludes by rooting the theme of sharing friendship within the self emptying kenotic performance of Jesus mission and looks at challenges to the character of contemporary Anglican ecclesiology represented by secularization and globalization as well as by arguments over appropriate new initiatives such as Fresh Expressions

Wilson, 2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980 2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom *I Believe in the Historical Jesus* I.
