Continental Classics, The: Mystery Tales ,2006 Mystery Tales Including Stories by Feodor Mikhailovitch Dostoyevsky, J_rgen Wilhelm Bergs_e and Bernhard Severin Ingemann Various Authors,2020-09-28 No really I haven t the faintest idea But let me tell you the story You must know that about sixty years ago my grandmother went to Paris where she created quite a sensation People used to run after her to catch a glimpse of the Muscovite Venus Richelieu made love to her and my grandmother maintains that he almost blew out his brains in consequence of her cruelty At that time ladies used to play at faro On one occasion at the Court she lost a very considerable sum to the Duke of Orleans On returning home my grandmother removed the patches from her face took off her hoops informed my grandfather of her loss at the gaming table and ordered him to pay the money My deceased grandfather as far as I remember was a sort of house steward to my grandmother He dreaded her like fire but on hearing of such a heavy loss he almost went out of his mind He calculated the various sums she had lost and pointed out to her that in six months she had spent half a million of francs that neither their Moscow nor Saratoff estates were in Paris and finally refused point blank to pay the debt My grandmother gave him a box on the ear and slept by herself as a sign of her displeasure The next day she sent for her husband hoping that this domestic punishment had produced an effect upon him but she found him inflexible For the first time in her life she entered into reasonings and explanations with him thinking to be able to convince him by pointing out to him that there are debts and debts and that there is a great difference between a prince and a coachmaker But it was all in vain my grandfather still remained obdurate But the matter did not rest there My grandmother did not know what to do She had shortly before become acquainted with a very remarkable man You have heard of Count St Germain about whom so many marvelous stories are told You know that he represented himself as the Wandering Jew as the discoverer of the elixir of life of the philosopher s stone and so forth Some laughed at him as a charlatan but Casnova in his memoirs says that he was a spy But be that as it may St Germain in spite of the mystery surrounding him was a very fascinating person and was much sought after in the best circles of society Even to this day my grandmother retains an affectionate recollection of him and becomes quite angry if anyone speaks disrespectfully of him My grandmother knew that St Germain had large sums of money at his disposal

The Continental Classics, Volume XVIII Various, 2021-05-05 There was a card party at the rooms of Naroumoff of the Horse Guards. The long winter night passed away imperceptibly and it was five o'clock in the morning before the company sat down to supper. Those who had won ate with a good appetite; the others sat staring absently at their empty plates. When the champagne appeared however the conversation became more animated and all took a part in it.
