## **The Old Gents:**

**David and the Old Man** William Zemba, 2010-10-18 David and the Old Man is a true life story about a father and his oldest son. The father, a rugged, independent, stubborn, and self-serving man who grew up on a farm where growing food became the only way to survive. He carries this farm mentality into his own family situation and has an enormous garden which primarily provides for his wife and four children. He grows and stores enough food for his family, all the neighbors, and friends. Beyond his own belief, the Old Man's first son is not the rugged individualist he pictured; his first son, David, as a youth appears to have all the normal tendencies of any other kid but does not fully develop physically and has a dislike of certain foods. The psychological battle between father and son is further nutured by the Old Man's dislike for David's passive and unfatherlike personality. David develops anorexia nervosa patterns in the early 1960s and becomes a full-blown anorexic case by his late teens. What is unusual about this David is a male, completely rare for this disease and exceptionally rare for that time period in which it occurred. The family battles the Old Man's will and lives with a son or brother who displays no regard for himself or those close to him. The Old Man's Boy Grows Older Robert Ruark, 1993-10-15 A young man recalls fond memories of his grandfather and the wilderness lessons he taught which serve to guide him when he leaves North Carolina to roam the world beyond.

**The Old Man and the Harley** John Newkirk, 2008-09-02 Ride with a father and his son on an amazing journey through America's past. In the summer of 1939, with the nation balanced between the Great Depression and the gathering winds of war, young Jack Newkirk set off on a rickety Harley to see both the New York and San Francisco World's Fairs. He had no way of knowing it was to be the autumn of his youth and that his entire generation would soon be thrust into the most devastating conflict in history. Seven decades later, author John J. Newkirk retraces this epic ride with his father Jack in a silent hope the old soldier will still be proud of the America he fought for. Each mile brings discovery as the author learns of his namesake, the heroic Squadron Leader of the legendary Flying Tigers, and of his father's life on the road and in the jungles of the South Pacific during World War II. The result is quintessential Americana, a sweeping portrait of the grit, guts, ingenuity, and sacrifice that defined a nation and a timely lesson from the Greatest Generation on how we can overcome our most pressing challenges and reclaim the American Dream. The Boy & the Old Man Omar Eby, 2009-02-09

So who is Omar Eby? A retired English professor, tenderhearted and cynical, who looks with affection and severity upon the young man he once was. In Somalia, Eby's first chapter, "Learning My Name," quickly and playfully sets the tone for this fascinating memoir. The Boy and the Old Man. Identifying with one Omar after another, Eby skips from a Taliban terrorist and a four-star general to a translator of Somali tales and an Old Testament duke, then recalls an English student in Mogadiscio and an Epicurean Persian poet, meets a Chilean Anabaptist, and finally names the close friend of Prophet Muhammad, Omar ibn al-Khattab. You think this an exercise in narcissism? Of course not. The author finds too many ties linking a naive Mennonite missionary boy to Muslim society and the incredible beauty of the natural world, shows too well the tensions between

documented facts and dramatic memory On the horn of Africa Somali pirates seize tankers On the mainland clans fire rockets into each others quarters of Mogadishu once the capital of the Somali Republic But Omar Eby remembers another Somalia when he taught there 50 years ago Through the grid of accumulated years Eby studies that missionary boy The reader hears two voices the 23 year old boy and the 73 year old man Often the old man loves the boy often the boy embarrasses him The Somalis Eby remembers as beautiful and exasperating then in 1959 as now in 2009 The chapters are like a series of transparencies laid down one on top of the other The boys views overlaid by the mans two visits to Somalia in his thirties and then memory laid over everything With more details everything should be clearer Yet Eby writes in the Introduction we are pleasantly surprised to find that the historically reconstructed self is still blurred as muddy as the Shebelle River which flows through Somalia from the Ethiopian highlands
