Dirty Money, Last Man Martin B Chattelle, 2017-04-30 Speculation was intense that the Russian Mafia in District 15 Moscow were laundering money via China to invest in London property Two names were on the radar The Russian Taras Petrov and Chinese businessman Xi Lang If the full facts about these two were known to Sarah Petri she would have probably refused to seduce Xi Lang as a means for her and Hackett to infiltrate the Russian Chinese syndicate The problem was that many involved wanted a cut of the dirty funds but did not appreciate the price they would have to pay The Innkeeper's Husband , **Bronx Boy** S. Bully the Bully Michael Thomas,2008-08 **Bully the Bully** is a true story of the author s near death experience being hung and left to die on a telephone pole by local bullies in northern New Jersey Although the events take place during the late sixties the author begins with his witnessing of a child in his Karate class being bullied by some other kids The noises of a beating the cries of the victim all bring back the nightmares of his childhood He takes the reader back to the events of his past the painful break up of his parents his mother leaving and the wandering from town to town with his father and younger brother How many of us can relate to the In Kids and the Out Kids of our past Fat skinny ugly nerdy or just different is how the author categorizes the Out Kids You might think you ve been picked on in the past but when you read this story you will find a new meaning to the word Bully There is no escape from the bully until that day finally comes when you make that difficult decision that you ve had enough Anger will then take the place of fear and no matter what the out come good or bad your life will change forever First this book is for your enjoyment but hopefully for some it will be and education for others they will relive their past like I have relived mine But most of all I hope it changes some peoples lives for the better
