The Struggle for Public Education Donald Parkerson, Jo Ann Parkerson, 2017-11-09 The great pendulum of educational reform recently has begun its inexorable swing toward a new understanding of education The thirty year dominance of the authoritarian approach complete with standardized assessments distended bureaucracies and school consolidation based on the business model appears to be over Capped by the recent departure of the No Child Left behind Act and replaced with a new congressional authorization the Every Child Achieves Act we are witnessing a distinct move toward a more democratic model of education This book places the tension between these two broadly defined archetypes in the context of the central themes of American education These include the structure and organization of American schools the struggle for diversity curriculum and instruction classroom discipline moral education testing and assessment and the rights and responsibilities of teachers and students By organizing these themes into a more understandable and relevant thematic context readers will be able to appreciate the changes in the field of education over the years as well as the cacophonous bickering over education policy today and yesterday

Handbook of Education Policy Research Lora Cohen-Vogel, Peter Youngs, Janelle Scott, 2025-07-17 The second edition of the Handbook of Education Policy Research the largest volume published in AERA's history addresses a variety of policy and contextual issues in early childhood K 12 and postsecondary education that have received extensive empirical attention during the past 15 years With the pandemic and social turmoil as a backdrop the editors build on the breadth and depth of the first edition while expanding the scope of the project to include subjects methods theories and analyses that have contributed powerfully to the study of education policy and politics in the 2010s and 2020s The field has become more comprehensive and inclusive and the authors represent a diversity of racial ethnic and gender identities and intellectual and disciplinary orientations Most chapters come from multiple authors reflecting the multi sourced development of research in education policy since the first volume was published This compilation consists of 70 chapters and nine commentaries that map past present and future directions of the field and richly attend to critical issues of interest to students researchers policy makers and practitioners

Shaping Education Policy Douglas E. Mitchell, Robert L. Crowson, Dorothy Shipps, 2011-06 *Shaping Education Policy* is a comprehensive overview of education politics and policy during the most turbulent and rapidly changing period in American history Respected scholars review the history of education policy to explain the political powers and processes that shape education today Chapters cover major themes that have influenced education including the civil rights movement federal involvement the accountability movement family choice and development of nationalization and globalization Sponsored by the Politics of Education Association this edited

collection examines the tumultuous shifts in education policy over the last six decades and projects the likely future of public education This book is a necessary resource for understanding the evolution current status and possibilities of educational policy and politics **The Study Of Educational Politics** Jay D. Scribner,Donald H. Layton,2003-08-29 This text is intended to be of use as a guide for students scholars and researchers of the politics of education and of educational policy studies The comprehensive work surveys major trends between 1969 and 1994 with chapters synthesising political and policy developments at local national and state levels in the US as well as in the international arena The text contains in depth examinations of the emerging micropolitics of the field of education as well as policy analysis and cultural and feminist studies and bibliographies are provided at the end of each chapter Designed as both a text and a reference volume this special yearbook was planned in conjunction with the 25th anniversary of the Politics of Education Association in 1994

Inside the Organization Teacher Oria A. Brinkmeier,Gerald C. Ubben,Richard C. Williams,1967 **Catalog of Copyright Entries. Third Series** Library of Congress.
