The Oswald File:

The Oswald File Michael Eddowes,1977 Oswald and the CIA John Newman,2008-06-01 From the acclaimed author of JFK and Vietnam comes a book that uncovers the government's role in the Kennedy assassination more clearly than any previous inquiry What was the extent of the CIA's involvement with Lee Harvey Oswald Why was Oswald's file tampered with before the assassination of John F Kennedy And why did significant documents from that file mysteriously disappear Oswald and the CIA answers these questions not with theories but with information from the primary sources themselves ex agents officials and secret records To look at the Oswald file is to look at the most sensitive CIA operation of the Cold War The story is as alarming as it is tragic the lies and manipulations it reveals led directly to Kennedy's murder Oswald and the CIA is a gripping journey to the darkest corners of the CIA

American Conspiracy Files Peter Kross,2015-11-25 Conspiracy theories are not new to our modern time They date back to biblical times when Moses sent his spies out to check out what the Egyptians were doing Espionage is also linked to various conspiracies and is all mixed up in the same bag of tricks and form any decent conspiracy or theory In this new fact providing book by author Peter Kross called *The American Conspiracy Files The Stories We Were Never Told* the reader is given a tour de force through the world of conspiracies and conspiracy theories dating back to the time when this nation was first founded right up until the modern day Author Kross provides the reader with these fascinating and unbelievable stories in short thought provoking chapters that will both inform and educate the public to these little known tales from our past Among the stories that are revealed are the circumstances surrounding the Lost Colony of Roanoke whose settlers simply left their homes and were never seen again The tales of the deaths of Davy Crockett Jesse James and Butch Cassidy and the Sundance Kid leave the reader wondering just what really happened to these iconic heroes conspiracies in the Revolutionary War including Benedict Arnold and Ben Franklin's son William We delve into the large conspiracy to kill President Lincoln and see that John Wilkes Booth did not act alone Our tale then goes into our modern day with chapters on the deaths of John F Kennedy Robert Kennedy Martin Luther King spies in the Roosevelt administration the reasons behind the Oklahoma City bombing the sordid plots of President Lyndon Johnson and the deaths of people associated with him the revelation of Deep Throat a plot by the Joint Chiefs of Staff to invade Cuba and blame it on Castro among other interesting tales As author Kross did in his previous books *Tales From Langley* *The CIA from Truman to Obama* and *The Secret History of the United States* these stories are a fascinating account of our hidden history most of which the public has never heard of

The Posner Files Gerald Posner,2018-10-02 Definitive accounts of JFK's and Martin Luther King's assassinations by a Pulitzer Prize finalist and New York Times bestselling author *Case Closed* A Pulitzer Prize finalist and New York Times bestseller *Case Closed* is a vivid and straightforward account that stands as one of the most authoritative

books on the assassination of John F Kennedy Drawing from official sources and dozens of interviews filled with powerful historical detail and including an updated comment for the fiftieth anniversary Posner s utterly convincing book lays to rest all of the convoluted conspiracy theories concerning the mafia a second shooter and the CIA that have obscured what really happened in Dealey Plaza on November 22 1963 Chicago Tribune By far the most lucid and compelling account of what probably did happen in Dallas and what almost certainly did not The New York Times Book Review Killing the Dream On April 4 1968 Martin Luther King Jr was killed in Memphis Tennessee by a single assassin s bullet James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony where King was shot An international manhunt ended two months later with Ray s capture Though Ray initially pled guilty he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy In Killing the Dream expert investigative reporter Gerald Posner cuts through phony witnesses false claims and a web of misinformation to put Ray s conspiracy theory to rest and disclose what really happened the day King was murdered A superb book a model of investigation meticulous in its discovery and presentation of evidence unbiased in its exploration of every claim And it is a wonderfully readable book as gripping as a first class detective story The New York Times

The Ghost Jefferson Morley, 2017-10-24 CIA spymaster James Jesus Angleton was one of the most powerful unelected officials in the United States government in the mid 20th century a ghost of American power From World War II to the Cold War Angleton operated beyond the view of the public Congress and even the president In The Ghost investigative reporter Jefferson Morley tells Angleton s dramatic story From the agency s MKULTRA mind control experiments to the wars of the Mideast Angleton wielded far more power than anyone knew Yet during his seemingly lawless reign in the CIA he also proved himself to be a formidable adversary to our nation s enemies acquiring a mythic stature within the CIA that continues to this day Adapted from book jacket

JFK and the Unspeakable James W. Douglass, 2010-10-19 THE ACCLAIMED BOOK NOW IN PAPERBACK with a reading group guide and a new afterword by the author At the height of the Cold War JFK risked committing the greatest crime in human history starting a nuclear war Horrified by the specter of nuclear annihilation Kennedy gradually turned away from his long held Cold Warrior beliefs and toward a policy of lasting peace But to the military and intelligence agencies in the United States who were committed to winning the Cold War at any cost Kennedy s change of heart was a direct threat to their power and influence Once these dark Unspeakable forces recognized that Kennedy s interests were in direct opposition to their own they tagged him as a dangerous traitor plotted his assassination and orchestrated the subsequent cover up Douglass takes readers into the Oval Office during the tense days of

the Cuban Missile Crisis along on the strange journey of Lee Harvey Oswald and his shadowy handlers and to the winding road in Dallas where an ambush awaited the President's motorcade As Douglass convincingly documents at every step along the way these forces of the Unspeakable were present moving people like pawns on a chessboard to promote a dangerous and deadly agenda

Dallas '63 Peter Dale Scott, 2015-09-29 Our most provocative scholar of American power reveals the forces behind the assassination of JFK and their continuing influence over our world David Talbot Salon On November 22 1963 President John F Kennedy was gunned down in Dallas by Lee Harvey Oswald Shortly after Oswald himself was killed These events led many to believe there was a far greater plan at work with a secret cabal of powerful men manipulating the public and shaping US policies both at home and abroad for their own interests But no one could imagine how right they were Beneath the orderly facade of the American government there lies a complex network only partly structural linking Wall Street influence corrupt bureaucracy and the military industrial complex Here lies the true power of the American empire This behind the scenes web is unelected unaccountable and immune to popular resistance Peter Dale Scott calls this entity the deep state and he has made it his life's work to write the history of those who manipulate our government from the shadows Since the aftermath of World War II the deep state's power has grown unchecked and nowhere has it been more apparent than that day at Dealey Plaza In this landmark volume Scott traces how culpable elements in the CIA and FBI helped prepare for the assassination and how the deep state continues to influence our politics today As timely and important as ever in the current chaotic political climate Dallas 63 is a reality shattering frightening exposé not of those who govern us but of those who govern those who govern us
