Social Work Community Work And Psychology

Hans van Ewijk

Social Work Community Work And Psychology:

Social Work, Community Work and Psychology Carole Sutton, 1994 Social workers community workers and psychologists have a common focus of concern human experience and distress This book examines carefully selected psychological theory and places it firmly in the context of the practice of social work in a multicultural society Social Work Practice with Groups, Communities, and Organizations Charles A. Glisson, Catherine N. Dulmus, Karen M. Sowers, 2012-08-14 A solid theory to practice guide to contemporary mezzo and macro social work Written by a renowned team of scholars Social Work Practice with Groups Communities and Organizations focuses on the contemporary theory and practice of social work Each chapter delves deeply into the key theoretical considerations surrounding a particular practice area exploring the clinical implications of each Spanning the full range of both mezzo and macro practice areas the authors thoroughly look at the assessment of and interventions with group community organizational and institutional settings The most authoritative book in this field Social Work Practice with Groups Communities and Organizations features A focus on evidence based approaches to assessment and intervention for each practice area discussed Comprehensive coverage of the most important new and emerging practice technologies in mezzo and macro social work Current and emerging demographic social political and economic trends affecting mezzo and macro practice An array of pedagogical aids including Key Terms Review Questions for Critical Thinking and Online Resources Content closely aligned with social work accreditation standards EPAS Providing a solid review of the entire scope of contemporary mezzo and macro social work practice Social Work Practice with Groups Communities and Organizations is both an indispensable educational text for students and a valuable working resource for practitioners who work with groups communities and organizations of all sizes **Social Work: the Social Psychological Approach** Glynis M. Breakwell, 2012-12-06 This book was created to describe the social psychological approach SPA to the social work process It has long been asserted that social workers need to understand and use social psychology in their practice Yet the literature available to social workers has been limited There have been no texts on social psychology specifically designed for social workers Instead social workers have been presented with various forms of individual psychology and macrosociology There is however an important contribution which social psychology the study of the individual in a social context can make to the social work process This contribution is the central concern of this book Consequently the book is seen as filling a fundamental gap in the existing social work literature The structure of the book is dictated by the belief that social workers and social psychologists should collaborate in evolving a social psychological model of social work practice Such a model the result of collaboration between a social worker and a social psychologist is presented here The book is addressed not simply to teachers and students of social work but also specifically to social work practitioners and to social psychologists besides all those who deal with social work problems In addressing a wide audience it is important to establish a lingua franca social workers need to understand the basics of social psychology and social

psychologists must understand the basis of social work practice **European Social Policy and Social Work** Hans van Ewijk,2009-09-10 This book explores shifts in international social policies looking at how they affect national trends and the context for social work practice It investigates the responsibilities for social welfare held by the state the market and civil society elaborating a concept of citizenship based social work **Psychology of Social Work** Mr. Rohit

Manglik,2023-09-23 In this book we will study about the fundamental concepts of psychology relevant to the field of social work The book explores human behavior personality development motivation emotions learning and the psychological aspects that influence social functioning Understanding these elements helps social workers assess clients needs more effectively and plan suitable interventions **Applied Psychology for Social Workers** Paula Nicolson,Rowan

Bayne,1984-02-02 Critical Practice in Social Work Robert Adams,Lena Dominelli,Malcolm Payne,2009-04-16 What do social workers need to know in order to practise skilfully and effectively Edited by three Social Work s leading scholars the second edition of this highly respected textbook helps bridge the gap between social work theory and the challenges of day to day practice Versatile and thoughtful the book s simultaneous accessibility and depth make it essential reading suited for both social work students at undergraduate and post qualifying level Practitioners too will learn and benefit from the insights collected together in this valuable addition to their bookshelf *Cognitive-behavioural Social Work in Practice* Katy

Cigno,Diana Bourn,2017-07-05 Cognitive Behavioural Social Work in Practice appears at an interesting time for social work and social services More than ever practitioners are required to provide evidence for the effectiveness of what they do while the rights of service users to ethically competent practice in which they are partners is high on the agenda Drawing on a wide area of research as well as the practice experience of its 18 contributors it covers a broad range of cognitive behavioural intervention with different client groups in a variety of settings including child care family work probation and offending behaviour mental health disability and issues concerning older people The first chapter sets out lucidly the theoretical and research basis for cognitive behavioural practice and is rich in case examples Each subsequent chapter adopts a case study approach to its subject either by providing a single case study or by the detailed exploration of an area of practice combined with case examples The volume is unique in not only bringing together practitioners and academics but in presenting the work of the academic reflective practitioner It is thus an accessible informative guide for professionals students and educators who with all their working pressures and constraints strive to provide help based on best evidence

Social Work, Sociometry, and Psychodrama Scott Giacomucci,2021-02-23 This open access book outlines the intersections between social work and the methods of sociometry and psychodrama Different sections offer essential practice wisdom for both trauma focused and trauma informed experiential work for individuals groups organizations and communities This text enriches the understanding of various action based approaches and highlights how to enliven social work practice The chapters include clinical vignettes and examples of structured sociometric prompts with diverse

populations topics and social work settings to enhance the understanding of group practice individual practice and community practice It provides social workers and other professionals with dynamic tools to improve assessment intervention activism and leadership Strength based practical tools are offered to readers along with guidance for theoretical conceptualizations This integrative book is an essential read for students practitioners leaders and scholars within the fields of social work psychodrama the creative art therapies group therapy community organizing and social activism **A**

Textbook of Social Work Brian Sheldon, Geraldine Macdonald, 2010-02-25 This textbook provides a comprehensive discussion of social work practice and its evidence base It strikes a balance between the need for social workers to understand the social economic cultural and psychological factors which give rise to clients problems and the need to know how best to respond with practical measures Communication in Social Work Joyce Lishman, 2020-07-23 Effective

communication is a vital part of the social worker's job This welcome new edition of a classic text provides students and practitioners with essential advice and guidance about communicating and interacting in a range of social work settings Based on the author's extensive personal and teaching experience the text offers a succinct introduction to a variety of communication techniques including symbolic non verbal verbal written and electronic forms of communication Importantly it discusses the perspectives of service users and explores their experiences and interpretations of how a social worker looks acts and speaks thus giving a real insight into the implicit messages being conveyed New to this edition are Putting it into Practice activities and further reading suggestions designed to support learning and understanding and to enable readers to reflect critically for practice Written in an appealing narrative style that cannot fail to draw the reader in Communication in Social Work is an engaging and comprehensive book suitable both for social work and social care students and for newly qualified practitioners wanting to refresh their thinking and skills **Developing Your Communication Skills in Social**

Work Paula Beesley, Melanie Watts, Mary Harrison, 2017-10-28 What is communication and why is it important Our ability to communicate is central to everyday life and an essential skill in social work This easy to read book offers a step by step guide to developing effective communication skills with a diverse range of service users and professionals It is the perfect guide to help manage different communication skills in different settings and more importantly encourage students to continually reflect and develop these skills Key features Wide range of case studies from an array of service areas and user groups Reflective tasks and questions to stimulate critical thinking and discussion Skills audits to test where your strengths are and areas for development This book is designed to guide readers in developing their own communication style that best suits them to become an effective social worker whilst meeting the needs of their service user group and individual service user

Hybrid Social Work Ivan Harsløf, Simon Innvær, Dag Jenssen, Wenche Bekken, Ingo Bode, 2025-04-09 This prescient book examines the evolving hybrid nature of social work within modern welfare states Expert authors discuss how human service providers engage with a variety of other providers and logics such as medical psychological educational and law

Community Work Catherine Briscoe, David N. Thomas, 2021-11-07 The growth of interest in community work during the seventies was very marked But while much had been written on the actual practice of community work there was for too long a lack of British material on the vital subjects of useful theory training and the development of skills In this title originally published in 1977 the authors brought together for the National Institute for Social Work experienced teachers and practitioners of community work in an integrated and carefully structured textbook which would further understanding of the means through which community workers develop their knowledge and skills it would be widely welcomed by all those involved in aspects of community work as teachers students practitioners supervisors and as local authority training officers The first part of the book has four chapters on the principle means through which community workers develop their skills within their employing agencies Part two deals with theories and the contribution made to community work by the social sciences group work research methods and management and planning studies The last part of the book contains three papers which examine the major problems and issues in the placement learning experiences and assessment of students on field work

Modern Social Work Theory Malcolm Payne, 2021-01-11 Modern Social Work Theory Fifth Edition provides a comprehensive and critical overview of the main practice theories that will act as a companion for students throughout their courses and their careers as practitioners In this substantially reworked and updated edition of his best selling text Malcolm Payne presents clear and concise evaluations of the pros and cons of major theories that inform social work practice and comparisons between them

The Making of Community Work David N. Thomas, 2024-11-01 Originally published in 1983 The Making of Community Work is the outcome of a two year study of community work in the United Kingdom The main purpose of the study was to review the development of community work and to suggest some of the issues in practice and training that might be

important in the 1980s Much of the first part of the book is taken up with the emergence of community work as an occupation David Thomas tries to clarify its contribution to a number of political and social processes and to define community work in a way which distinguishes it from other kinds of interventions The second part of the book deals with training research literature and employment in community work it includes a review of college and field based training opportunities and a critical discussion of the state of theory and ideology in the occupation It was hoped it would be an important source of ideas and inspiration for the years ahead It was the first major review of community work since its re discovery in the 1960s it will still be of interest to all those involved in community work or wishing to understand its influence on other professions The book was intended for fieldworkers administrators policy makers trainers and students in community work and in related occupations and disciplines Thomas presents his ideas clearly and his ability to look critically at some of the basic assumptions in community work makes for stimulating and enjoyable reading New Directions in Social Work Practice Kieron Hatton,2008-03-31 This book investigates the main influences shaping social work practice now and in the future Aimed at second and third year undergraduates and postgraduates it looks at current developments such as the rise of the service user movement and the influence of European perspectives In addition it draws on national policy developments including Every Child Matters Valuing People and Common Assessment Frameworks It also develops themes around interprofessional multi agency work common learning and enhancing the voluntary sector s role in service delivery Supported by activities and case studies it is an excellent follow on to the Learning Matters title What is Social Work **The Routledge International Handbook of Digital Social Work** Antonio López Peláez,Gloria Kirwan,2023-06-13 This handbook provides an authoritative and cutting edge overview of current research and trends related to the emerging field of digital technology and social work This book is divided into six sections Reframing Social Work in a Digital Society Shaping a Science of Social Work in the Digital Society Digital Social Work in Practice The Ethics of Digital Social Work Digital Social Work and the Digitalization of Welfare Institutions Opportunities Challenges and Country Cases Digital Social Work Future Challenges Directions and Transformations This book comprised of 40 specially commissioned chapters explores the main intersections between social work theory and practice in an increasingly digitized world Bringing a critical focus to how social work as a profession is adapting exponentially to embrace the benefits of technology it gives specific consideration to the digitalization of the social work profession including the ways in which social workers are using different forms of technology to provide effective services and innovative practice responses With chapters on big data digital archiving e citizenship and inclusion gerontechnology children and technology and data ethics this book will be of interest to all social work scholars students and professionals as well as those working in science and technology studies more broadly
