Social Justice and the Urban Obesity Crisis Melvin Delgado, 2013-04-30 A number of economic cultural and contextual factors are driving urban America s obesity crisis which can create chronic health conditions for those least able to manage them Considering urban obesity through a social justice lens this book is the first to help social workers and others develop targeted interventions for effective outcomes The text dissects the problem of urban obesity in populations of color from individual family group community and policy perspectives Beginning with a historical survey of urban obesity in communities of color anti obesity policies and programs and the role of social work in addressing this threat the volume follows with an analysis of the social ecological environmental and spatial aggravators of urban obesity such as the food industry s advertising strategies which promote unhealthy choices the failure of local markets to provide good food options the lack of safe exercise spaces and the paucity of health education Melvin Delgado reviews recent national obesity statistics explores the connection between food stamps and obesity and reveals the financial and social consequences of the epidemic for society as a whole He concludes with recommendations for effective health promotion programs such as youth focused interventions community gardens and community based food initiatives and a unique consideration of urban obesity in relation to acts of genocide and national defense

Latino Small Businesses and the American Dream Melvin Delgado, 2011 Latino small businesses provide social economic and cultural comfort to their communities They are also excellent facilitators of community capacity a major component of effective social work practice Social work practitioners have a vested interest in seeing such businesses grow not only among Latinos but all communities of color Reviewing the latest research on formal and informal economies within urban communities of color Melvin Delgado lays out the

demographic foundations for a richer collaboration between theory and practice Delgado deploys numerous case studies to cement the link between indigenous small businesses and community well being Whether regulated or unregulated these establishments hire from within and promote immigrant self employment Latino small businesses often provide jobs for those whose criminal and mental health backgrounds intimidate conventional businesses Recently estimated to be the largest group of color running small businesses in the United States Latino owners top two million with the number expected to double within the next few years Joining an understanding of these institutions with the kind of practice that enables their social and economic improvement Delgado explains how to identify and mobilize the kinds of resources that best spur their development

Community Practice and Urban Youth Melvin Delgado, 2015-10-30 Community Practice and Urban Youth is for graduate level students in fields that offer youth studies and community practice courses Practitioners in these fields too will find the book particularly useful in furthering the integration of social justice as a conceptual and philosophical foundation The use of food environmental justice and immigrant rights and the book's focus on service learning and civic engagement involving these three topics offers an innovative approach for courses

Baby Boomers of Color Melvin Delgado, 2014-11-18 Because researchers often treat baby boomers of color as belonging to one group quality data on the individual status of specific racial populations is lacking leading to insufficiently designed programs policies and services The absence of data is a testament to the invisibility of baby boomers of color in society and deeply affects the practice of social work and other helping professions that require culturally sensitive approaches Melvin Delgado rectifies this injustice by providing a comprehensive portrait of the status and unique assets of boomers of color Using specific data he grounds an understanding of boomers financial medical and emotional needs within a historical socioeconomic cultural and political context resulting in tailored recommendations for meeting the challenges of a growing population His research focuses on African American Hispanic Asian Pacific Islander and Native American older adults and addresses issues of financial security employment stability housing and health care which are often complicated by linguistic and cultural differences Rather than treat baby boomers of color as a financial burden on society and its resources Delgado recognizes their strengths and positive contributions to families and communities resulting in an affirming and empowering approach to service
