

Social Work Practice In Sexual Problems

James Gripton, Mary Valentich

Social Work Practice In Sexual Problems:

Social Work Practice in Sexual Problems James Gripton, Mary Valentich, 1986 This pioneering volume explores the diversity of the social work profession's involvement in working with clients' sexual problems including those related to age, lifestyle, and gender identity. The informative chapters reflect the development of practical knowledge and technology in this area and shed light on this emerging practice speciality. Gain unique insights into clinical intervention in relation to sexual incompatability, performance problems, and oppression of sexual expression based on social status. *Sexual Orientation and Gender Expression in Social Work Practice* Deana F. Morrow, Lori Messinger, 2006-02-01 This volume offers an invaluable resource for both social work educators and practitioners working with gay, lesbian, bisexual, and transgender GLBT clients and their families. It is the first such work to specifically address issues affecting bisexual and transgender people as well as the larger concerns of the GLBT community. Contributors present specific practical suggestions for effective knowledge-based and skills-based practice with GLBT clients. Topics include heterosexism and homophobia, identity development, coming out, GLBT adolescents and older adults, health care concerns, relationships, and families, workplace issues, the history of the GLBT civil rights movement, sex reassignment, AIDS, and the role of spirituality in the lives of GLBT individuals. The contributors also consider intragroup issues of race, ethnicity, age, and socioeconomic status. Social Work Practice in Sexual Problems James Gripton, Mary Valentich, 1986-01-01 This pioneering volume explores the diversity of the social work profession's involvement in working with clients' sexual problems including those related to age, lifestyle, and gender identity. The informative chapters reflect the development of practical knowledge and technology in this area and shed light on this emerging practice speciality. Gain unique insights into clinical intervention in relation to sexual incompatability, performance problems, and oppression of sexual expression based on social status. *Social Work and Child Sexual Abuse* David A. Shore, Jon Conte, 2016-01-28 Here is an indispensable book highlighting information on the problem of child sexual abuse for anyone concerned with the welfare of young children. Focusing on the social worker's role in responding to the abuse of children, this highly practical volume assesses the state of knowledge about sexual abuse. It includes reviews of the historical context in which sexual abuse takes place and sheds light on issues surrounding the professional's responses to sexual abuse, alternative models of sexual abuse treatment programs, and practice knowledge developments. The contributors have also addressed a number of clinical issues including family treatment and social work treatment at a juvenile court, as well as the role of the courts and the problem of sexual abuse and sexual education in child caring institutions. *Social Work Practice and Psychopharmacology* Sophia F. Dziegielewska, George A. Jacinto, 2016-04-15 Praise for the Second Edition: This is a very well-written book. My students appreciated the down-to-earth style of writing. Many of my students are deathly afraid of topics that have anything to do with biology. They were assured by the lack of jargon and the fact that the chapters were written in a way that they could easily understand. I look forward to the third edition. Nathan Thomas, LCSW, San Jose State University.

School of Social Work New findings emerge daily and new medications hit the market every year The nature of this topic lends itself to revision at least every 2 3 years to stay current and germane to current practice standards The case studies are a nice way to transform and integrate clinical principles with social work practice Students have enjoyed the book as a foundational text Dr Robert Mindrup PsyD University of Tennessee Knoxville College of Social Work This comprehensive text noted for its facility in integrating principles into practice prepares social work students to play a key role within an interdisciplinary health care team that of counseling clients who are taking medications used to treat common mental health conditions The third edition has been fully revised to include new medications and reflect changes resulting from the publication of the DSM 5 Sample treatment plans case examples and a full glossary of medications have been updated and the addition of a comprehensive Instructor s Manual further enhances the text s value Also included is information on prescription drug abuse expanded discussions of psychopharmacological considerations related to gender and culture a new section on medical marijuana pregnant women and new content related to suicide warnings and internet availability and electronic records The third edition also features a discussion of potential interactions with medications used to treat chronic conditions and emphasizes professional collaboration The text is replete with guidance on common medicine related issues social workers encounter in practice including identifying potentially dangerous drug interactions and adverse side effects improving medication compliance recognizing the warning signs of drug dependence and understanding how psychopharmacology can work in conjunction with psychosocial interventions The role of the social worker taking into account treatment planning is stressed The text also addresses the particular needs of children older adults and pregnant women and the treatment of specific mental health conditions New to the Third Edition Reflects changes related to the DSM 5 the Affordable Care Act and a multitude of new medications Includes a restructured chapter on special populations highlighting the needs of children and adolescents older adults and pregnant women Presents new sections on electronic health records telemedicine suicide warnings and medical marijuana Offers enhanced coverage of psychopharmacological considerations related to gender and culture Updates case examples treatment plans and extensive medication glossary Provides a comprehensive Instructor s Manual with PowerPoint slides a sample syllabus and sample tests Key Features Addresses the role of medication from the perspective of social work treatment Delivers guidance on common challenges social workers encounter in practice Encourages and empowers clients to be active in their own treatment Emphasizes the role of the social worker in the use and misuse of medication Identifies potentially dangerous drug interactions and adverse side effects Explains how psychopharmacology works in conjunction with psychosocial interventions *Case Studies on Sexual Orientation and Gender Expression in Social Work Practice* Lori Messinger, Deana F. This text fills a gap for an accessible textbook which takes a person centred approach to working with older people by providing readers with a basic knowledge of policy legislation theory and research **Social Work Treatment 4th Edition**

Francis J. Turner, 1996-09-01 **Relational Social Work Practice with Diverse Populations** Judith B.

Rosenberger, 2013-06-25 Social work and relational theory have long been clinical comrades given their shared goals and ideals This close fit continues to be productive as client populations and their needs grow more diverse Clinical Social Work Practice with Diverse Populations sorts through vital matters of race ethnicity sexuality religion and social status and addresses groups and issues often seen in practice but rarely encountered in print with a profound understanding of the healing power of relational based treatment Case examples illustrate all stages of social work process offering practice guidelines for working with members of diverse groups while emphasizing the uniqueness of every therapeutic dyad The coverage recognizes the multiple relationships that comprise individuals lives as well as the individuality that co exists within group identity And the contributors carefully show readers how to check themselves for biases and us versus them thinking and how to develop confidence along with clinical skills Included in this first of its kind text Practice technique and research support for relational therapy Whiteness Deconstruction of a practice paradox Racial and ethnic diversity including African American Latino Asian American and Asian Indian clients Religious diversity evangelical Christians Muslim and Orthodox Jewish clients Diversity of sexual identity LGBT clients Diversity of life altering experiences combat veterans reentry from incarceration homelessness Plus background chapters providing a framework for applying relational theory to social work

Bridging the knowledge gaps between the diversity literature and the practical literature *Relational Social Work Practice with Diverse Populations* supplies clinical social work professionals educators and counselors with tools and concepts for effective efficient practice *Social Work Practice and Psychopharmacology, Second Edition* Sophia F.

Dziegielewska,2009-12-07 Why do social workers need to know about mental health medications How can social workers best assist clients who are taking medications What is the social worker s role as part of the interdisciplinary health care team Answering these questions and more this comprehensive text discusses the major medications used to treat common mental health conditions and offers guidelines on how to best serve clients who are using them This new edition provides guidance on many issues that social workers will encounter in practice including identifying potentially dangerous drug interactions and adverse side effects improving medication compliance recognizing the warning signs of drug dependence and understanding how psychopharmacology can work in conjunction with psychosocial interventions Complete with case examples assessment tools and treatment plans this book offers practical insight for social work students and social workers serving clients with mental health conditions New to this edition are expanded discussions of child and adolescent disorders engaging discussions of how new drugs are created approved and marketed and a new glossary describing over 150 common medications and herbal remedies Important Topics Discussed Treatment of common mental health conditions such as depression anxiety disorders schizophrenia and dementia Taking a comprehensive medication history Understanding medical terminology Avoiding drug misuse dependence and overdose **An Introduction to Social Work Practice in Canada**

Shankar A. Yelaja,1985 *Sexual Identities and Sexuality in Social Work* Priscilla Dunk-West,2016-04-01 Sexuality and sexual identity have been relatively marginalized areas in both social work education and practice However changes in policy and legislation in the UK and other countries over the past decade have brought discussions of sexuality into the mainstream public service agenda In social work and social care gay and lesbian citizenship rights have been explicitly recognised In the fields of adoption and fostering new regulations and guidance have helped improve and develop practice around assessment and intervention It remains the case however that sex is often perceived as a problem area within social work and social care discussed only in relation to sexually diverse communities or in the realm of dysfunction or pathology This collection aims to generate a more proactive and challenging discussion of sexuality and sexual identity in social work Its starting point is that sexuality is an essential aspect of individual identity that users must be able to express their sexuality and that it is essential for social workers to be able to respond and discuss sexual issues appropriately The contributions are informed by feminist research considering in particular the experiences of women working in and using social care services since the 1990s In addition to a consideration of the wider policy legislative and service providers perspectives the book includes reflective accounts as well as research led contributions offering a comprehensive and balanced account of this important field which aims to inform both theory and practice *Handbook of Empirical Social Work Practice, Volume 2* John S. Wodarski,Bruce

A. Thyer, 1998-01-29 Covers key social problems and practice related issues The last two decades in social work have seen tremendous strides in field research from the development of improved research designs to more accurate methods of problem measurement and outcome analysis Drawing upon these significant advances the two volume handbook of Empirical Social Work Practice brings together empirically validated interventions for many of the psychosocial problems most frequently encountered by social workers in their daily practice Unlike other books in the field that employ a theory based approach to treatment this handbook focuses on the best supported methods of helping clients with particular problems irrespective of theoretical biases offering clinicians a valuable compendium of practice guidelines for treatment Edited and authored by recognized experts in the field the Handbook of Empirical Social Work Practice is clearly written and organized for easy reference Volume Two covers key social problems and practice related issues including Crime homelessness and unemployment Domestic violence and sexual abuse Family conflict and preservation Practice approaches for older clients Empirically based supervision With information that is at once accessible and up to date the Handbook of Empirical Social Work Practice is a vital source of guidance for today's clinical social workers and other practicing mental health professionals as well as students One of the best tools to promote the values of the social work profession is that of empirical social work practice Telling the truth is one of these values and discovering the truth is something that empirical research is very good at This book presents credible reviews of contemporary empirical literature pertaining to selected behavioral affective and intellectual disorders and their psychosocial assessment and treatment That such a book is now possible is a striking affirmation of the merits of the approach to social work called empirical clinical practice from the Handbook of Empirical Social Work Practice

Rethinking Anti-Discriminatory and Anti-Oppressive Theories for Social Work Practice Christine Cocker, Trish Hafford-Letchfield, 2014-07-23 For years anti discriminatory and anti oppressive practice have been embedded in the social work landscape Thinking beyond the mainstream approaches this book critically examines some of the core concepts and issues in social work providing fresh perspectives and opportunities for educators students and practitioners of social work

Spirituality in Social Work Practice Ronald K. Bullis, 2013-10-08 First published in 1996 Currently there is a strong trend in the mental health professions to look at the whole picture when dealing with clients Religion and spirituality are now officially accepted as a major portion of this picture In keeping with this trend this book assesses the role of spiritually oriented assessments and interventions in clinical practice By providing examples of both spiritual cosmologies and anthropologies it offers a cross cultural theoretical orientation and therapeutic rationale for spirituality in clinical settings The book is an essential resource for social workers mental health counsellors bereavement specialists professional clergy and others in the helping professions

Social Work Practice In Sexual Problems: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Social Work Practice In Sexual Problems : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Social Work Practice In Sexual Problems : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Social Work Practice In Sexual Problems Introduction

In today's digital age, the availability of Social Work Practice In Sexual Problems books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Work Practice In Sexual Problems books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Work Practice In Sexual Problems books and manuals for download is the cost-saving aspect. Traditional books and manuals can be

costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Work Practice In Sexual Problems versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Work Practice In Sexual Problems books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Work Practice In Sexual Problems books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Work Practice In Sexual Problems books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Work Practice In Sexual Problems books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Work Practice In Sexual Problems books and manuals for download and embark on your journey of knowledge?
