Social Services In Latino Communities Research And Strategies:

Social Services in Latino Communities Melvin Delgado, 1998 Delgado social work Boston U focuses on the delivery of social services to Puerto Ricans and other Latino groups in New England and in Massachusetts in particular He also discusses the national situation especially in regards to Cubans Mexican Americans and Puerto Ricans After reviewing the research in the field he turns to the process of developing approaches to outreaching engaging and serving Latinos Paper edition 0429 1 19 95 Annotation copyrighted by Book News Inc Portland OR *Social Work with Latinos* Melvin Delgado, 2013-07-11 Beginning with a comprehensive definition and demographic map of Latinos Latino culture and a cultural asset paradigm this book identifies strategies for designing culturally relevant programs and services *New Arenas for Community Social Work Practice with Urban Youth* Melvin Delgado, 2000 This book demonstrates the potential of after school activities ranging from sports to the visual and performing arts and the humanities to transform young lives Case studies of exemplary organizations and innovative communities within urban centers throughout the U S round out the work *Community Social Work Practice in an Urban Context* Melvin Delgado, 1999-09-16 Community social work practice based on a capacity enhancement model offers tremendous potential for unifying communities consisting of groups from very different cultural backgrounds and in the process of doing so make physical changes in the community *Community Social Work Practice in An Urban Context* aims to teach graduate students with an emphasis on community and urban social work how to create positive community environments in marginalized urban based communities The use of murals gardens playgrounds and sculptures for example provide social workers with an opportunity to identify engage and plan services with communities These projects in turn are based upon a community s strengths and represent an effort at developing a community s capacity to help itself with assistance from professionals *Handbook of Social Work Practice with Vulnerable and Resilient Populations* Alex Gitterman, 2001 Role in forming balanced assessments **Strengths and Challenges of New Immigrant Families** Rochelle L. Dalla, 2009-01-01 This book is comprised of nineteen chapters written by scholars with expertise on immigrant families representing every corner of the globe from Africa and India to Europe and Central America It provides a springboard from which to answer the application and what now questions for those who work with immigrant families in a variety of capacities from academicians and researchers to educators and human service providers **Substance Abuse Prevention** Kar Snehendu, 2020-06-10 In thirteen chapters twenty four authors share their analyses concerns and conclusions in several domains including the meaning and dynamics of multiculturalism affecting prevention intervention relative risks and knowledge gaps across ethnic groups social trends affecting health risks and substance abuse lessons learned from substance abuse research and prevention role of the media promises and limits of the new public health paradigm for assessment policy development assurance of preventive services and social action and empowerment for prevention in partnership with the public *The Oxford Handbook of Social Work in Health and Aging* Daniel B.

Kaplan, Barbara Berkman, 2016 This Second Edition of the Handbook addresses the evolving interdisciplinary health care context and the broader social work practice environment as well as advances in the knowledge base which guides social work service delivery in health and aging This includes recent enhancements in the theories of gerontology innovations in clinical interventions and major developments in the social policies that structure and finance health care and senior services In addition the policy reforms of the 2010 Patient Protection and Affordable Care Act set in motion a host of changes in the United States healthcare system with potentially profound implications for the programs and services which provide care to older adults and their families In this volume the most experienced and prominent gerontological health care scholars address a variety of populations that social workers serve and the arenas in which they practice followed by detailed recommendations of best practices for an array of physical and mental health conditions The volume's unprecedented attention to diversity health care trends and implications for practice research policy make the publication a major event in the field of gerontological social work This is a Must Read for all social work social work educators practitioners and students interested in older adults and their families *Social Work and Integration in Immigrant Communities* Kathleen

Valtonen, 2016-03-03 There has been a marked rise in global migration with many former countries of emigration becoming immigration destinations As a result of this social workers increasingly encounter immigrant clients and are called upon to work in their communities At the same time in the field of research theories conceptual frames perspectives and discourse have materialized and evolved to make sense of contemporary events Social work professionals researchers and students must therefore need to be apprised of current thinking research and discourse in the field of integration Valtonen familiarizes the reader with the variation in national policies institutional arrangements and service responses which all provide rich contrasts and insights into a breadth of policy possibilities Since macro level developments in migration carry direct implications for social work as a discipline and a profession with a central stake and role in immigrant wellbeing this book provides salient information to help with visioning in the profession defining appropriate and concerted responses and building robust standing in the field as well as promoting the linking of disciplinary and multidisciplinary research with practice **Experimental Research Designs in Social Work** Bruce A. Thyer, 2023-08-22 Experimental research is of

great value to social work Well designed studies help social workers understand which approaches are most effective with implications for both practice with individual clients and social policy more broadly Many social work practitioners conduct studies that randomly assign clients to specific interventions and various control groups in order to assess policy outcomes However social work programs often do not teach experimental methods Critics continue to assert that true experiments are impractical unethical or simply too blunt a tool to evaluate the effects of social work practices and policies This book presents a comprehensive overview of the theory and practice of experimental research in the field of social work Bruce A Thyer describes the logic and design of experimental methods helping readers understand the basics and then exploring

increasingly complex and sophisticated research He illustrates key principles through examples of how social workers have evaluated real world practice approaches The book considers recruitment and representation of marginalized groups the ethical issues involved in the design and conduct of experiments and how social work researchers can ensure that all participants in an experimental study benefit from effective care An appendix contains a chronological listing of published studies authored by social workers who conducted experimental research Accessible to social work undergraduate graduate and doctoral students alike and valuable for professionals from clinical workers to policy analysts this book demonstrates the utility of experimental research across the entire spectrum of social work practice Handbook of U.S. Latino Psychology Francisco A. Villarruel, Gustavo Carlo, Josefina M. Grau, Margarita Azmitia, Natasha J. Cabrera, T. Jaime Chahin, 2009-07-24

Congratulations to Aida Hurtado and Karina Cervantez winners of the 2009 Women of Color Psychologies Award This award given by the Association of Women in Psychology Association is voted on by AWP members for contributions of new knowledge and importance to the advancement of the psychology of women of color Offering broad coverage of all U S Latino groups this volume synthesizes cutting edge research and methodological advances and provides culturally sophisticated information that can be used by researchers policy makers and practitioners The editors and contributing authors summarize theories and conceptual models that can further our understanding of the development and adaptation of U S Latino populations In addition they focus on the importance of cultural sensitivity and competence in research and intervention approaches and how to achieve it

Key Features Highlights the normative development and strengths of U S Latino populations Elaborates on the heterogeneity of Latinos in that it does not assume that all Latino populations and the contexts of their development are identical Emphasizes on cultural sensitivity and competence at all levels Focuses on the importance of cultural identity amongst Latinos and its contribution to healthy developmental outcomes

Asset Assessments and Community Social Work Practice Melvin Delgado, Denise Humm-Delgado, 2013-01-18 Needs assessments identify the needs for services answering questions about who needs these services and in what priority Asset assessments focuses on existing resources combining both needs and asset assessments helps find the gaps in these services and is useful to organizations and communities Assets assessments differ dramatically from their needs assessments counterparts along a variety of key dimensions Asset assessments generally attempt to 1 focus on capacities rather than problems needs 2 actively seek community participation and develop collaborative partnerships 3 seek to tap and enhance community competencies 4 seek to equalize power between residents and professionals 5 be proactive rather than reactive to problems and 6 stress community contributions and ownership of the process and are thus empowerment driven

Community Organizing and Community Building for Health and Welfare Meredith Minkler, 2012-07-16 The third edition of Community Organizing and Community Building for Health and Welfare provides new and more established ways to approach community building and organizing from collaborating with communities on assessment and issue selection to using the power of coalition building

media advocacy and social media to enhance the effectiveness of such work With a strong emphasis on cultural relevance and humility this collection offers a wealth of case studies in areas ranging from childhood obesity to immigrant worker rights to health care reform A tool kit of appendixes includes guidelines for assessing coalition effectiveness exercises for critical reflection on our own power and privilege and training tools such as policy bingo From former organizer and now President Barack Obama to academics and professionals in the fields of public health social work urban planning and community psychology the book offers a comprehensive vision and on the ground examples of the many ways community building and organizing can help us address some of the most intractable health and social problems of our times Dr Minkler s course syllabus Although Dr Minkler has changed the order of some chapters in the syllabus to accommodate guest speakers and help students prep for the midterm assignment she uses she arranged the actual book layout in a way that should flow quite naturally if instructors wish to use it in the order in which chapters appear

Annual Review of Nursing Research, Volume 26, 2008 Fitzpatrick,2008-06-09 From reviews of the previous volume This volume should be quite useful to the target audience It provides a good foundation for evidence based practice and further research 4 stars Doody s Book Review Service The nursing community is continually challenged with expanding the empirical knowledge base that informs rural nursing practice This volume of the prestigious Annual Review of Nursing Research Focus on Rural Health addresses this challenge Contributors have developed creative and effective strategies to identify relevant research and present them in the context of the rural delivery system Topics include Nursing Research to Meet Health Care Needs of Rural Populations Improving Systems Quality of Care Patient Safety Improving Cultural Relevance of Rural Nursing Research Methodological Issues Constraints and Opportunities Also included Contents of Previous 10 Volumes The contributors all noted nurse scientists discuss the key problems they deal with on a daily basis utilizing recent rural and general health policy reports This approach allows readers to learn new techniques and strategies for rural nursing practice that are firmly grounded in the evidence While the primary examples are drawn from American contexts a special chapter on global perspectives highlights analogous problems and issues that rural nursing research raises across countries particularly the availability of resources About the Editors This volume is edited by Elizabeth Merwin Associate Dean Research and the Director of the Rural Health Care Research Center at the University of Virginia School of Nursing The series editor is Joyce J Fitzpatrick who has received numerous honors and awards including the American Journal of Nursing Book of the Year Award 18 times and is the Elizabeth Brooks Ford Professor of Nursing Frances Payne Bolton School of Nursing at Case Western Reserve University

Health Issues in the Latino Community Marilyn Aguirre-Molina, Carlos W. Molina, Ruth Enid Zambrana,2002-02-28 Sweeping in scope Health Issues in the Latino Community identifies and offers an in depth examination of the most critical health issues that affect Latino s health and health care within the United States This resource offers a comprehensive approach that informs and promotes the advancement of the practice program planning

research and public policy to improve health care of all Latino citizens Parenting Steven Tuber,2016-06-24 Parenting Contemporary Clinical Perspectives offers fresh insights into treating parents and their children that highlight the evolving role of parents throughout the lifespan and amidst contemporary social pressure and change By drawing from their own personal experiences as well as those from clinical practice distinguished clinicians and analysts examine each phase of parenting through a variety of lenses to tackle our biggest parenting questions While we must be highly present for our children to help them develop a sense of self worth we must simultaneously step back if we want them to develop a sense of autonomy and individuality As our role as parent changes how can we maintain a sense of grace humor and perspective How can our work in practice inform and enrich our parenting and vice versa Thoughtful and engaging this volume is a valuable resource for family therapists and clinicians especially those who are parents themselves **Microaggressions and Social Work Research, Practice and Education** Michael S. Spencer,2020-09-10 While blatant forms of racism and discrimination have largely been condemned in our society systematic oppression and racism can be manifested in a less obvious form as microaggressions The term originally developed in the 1970s by Chester Peirce to describe the ways in which Black people were put down by their White counterparts has since been expanded to describe both conscious and unconscious acts that reflect superiority hostility and racially inflicted insults and demeanors to marginalized groups of people This book provides a platform for social work researchers scholars and practitioners to present their research ideas and practices pertaining to ways in which microaggressions and other subtle but lethal forms of discrimination impact marginalized populations within social work and human services Contributors discuss the impact of microaggressions in social work as they relate to race gender and gender expression sexual orientation class and spirituality The book also examines curriculum pedagogy and the academic climate as targets for intervention in social work education This book was originally published as a series of special issues of the Journal of Ethnic and Cultural Diversity in Social Work The NIH Record ,1990 **Routledge Handbook of Latin American Politics** Peter Kingstone,Deborah J. Yashar,2013-03-05 The Routeldge Handbook of Latin American Politics brings together the leading figures in the study of Latin America to present extensive empirical coverage and a cutting edge examination of the central areas of inquiry in the region **Latinos and Alcohol Use/Abuse Revisited** Melvin Delgado,2012-12-06 The one of a kind exploration of effective alcohol prevention and treatment for Latinos now and for the future By the year 2020 the Latino population in the United States will increase to 60 million making up 18 percent of all residents Latinos and Alcohol Use Abuse Revisited Advances and Challenges for Prevention and Treatment Programs brings into sharp focus how present and future demographic shifts in Latino population are being felt in alcohol programs across the United States Case studies and in depth research clearly illustrate the practical steps various culturally competent programs recommend to effectively deal with alcohol use prevention and treatment for Latinos Alcohol abuse though rampant in Latino populations has not received the attention that other types of drug abuse has received even though the death rates health

problems and financial costs from alcohol are staggering Latinos and Alcohol Use Abuse Revisited presents respected authorities tackling the tough questions about demographics culturally competent research and effective prevention and treatment programs The book provides an up to date socio demographic foundation then builds upon current research and information to present a clear picture of the needs of various Latino populations for alcohol abuse programs now and in the future Latinos and Alcohol Use Abuse Revisited discusses the Latino demographic profilean overview patterns of need and treatment among Mexican origin adults in central California alcohol abuse among Dominican Americans the onset of alcohol and other drug use among gang members incarcerated Latinas alcohol and other drug abuse rural Latino grandparents raising grandchildren of substance abusing parents alcohol use among Puerto Rican active injecting drug users alcohol and other drug abuse prevention for high risk youth a case study of a Puerto Rican community in Massachusetts detailed recommendations for prevention and treatment Latinos and Alcohol Use Abuse Revisited is a detailed examination of prevention and treatment programs for Latinos invaluable for substance abuse professionals social workers practitioners and professionals in charge of alcohol prevention and treatment programs
