Nursing students require a unique guide to communication and interpersonal skills to help them succeed on both placement and in academic work This text presents the theory and practice of communication for all care settings and professional needs during the pre registration course Social Skills Training and Psychiatric Nursing Owen Hargie, Patrick J.

McCartan, 2025-09-17 When it was originally published in 1986 this book was one of the few to be written on social skills and mental health specifically for nurses Yet it is nurses who are uniquely placed to improve the skills of those with mental illness since it is they who often have most contact with patients or clients This book examines the place of social skills training in the practice of psychiatric nursing It provides relevant background to the evidence for limited social skills in psychiatric patients and the expanding role of the nurse and considers more practical elements such as selection and assessment of patients for a programme goal setting role play feedback and group versus individual approaches The book also analyses relevant skills themselves such as nonverbal communication and being assertive The book is aimed at both trained and student psychiatric nurses **Communication and Interpersonal Skills in Nursing** Alec Grant, Benny

Goodman, 2018-12-03 The new edition of this well regarded book introduces the underpinning theory and concepts required for the development of first class communication and interpersonal skills in nursing By providing a simple to read overview of the central topics students are able to quickly gain a solid evidence based grounding in the subject Topics covered include empathy building therapeutic relationships using a variety of communication methods compassion and dignity communicating in different environments and culture and diversity issues Three new chapters have been added that point readers towards further ways of approaching their communication skills that are less model and technique driven and focusing more on therapeutic considerations as well as looking at the politics of communication Communication Skills for Nursing Practice Catherine McCabe, Fiona Timmins, 2013-11-06
