Mothering Through Domestic Violence Lorraine Radford,Marianne Hester,2006 Based on findings from six primary research studies carried out by the authors themselves as well as other published research this book reveals how undermining mothering plays a key role in locking women into abusive relationships and exacerbating the damage done by domestic violence Protecting Children from Abuse and Neglect in Primary Care Michael J. Bannon,Yvonne H. Carter,2002-12-05 This book deals with child abuse and neglect as it presents itself in primary care All health professionals including those who work in primary care have an important role to play in the child protection process Inappropriate management of suspected instances of child abuse may result in serious implications for the child family and involved professionals Primary health care teams have specific and unmet training needs in this area and many general practitioners express anxiety regarding their involvement in child protection work The overall aim of this book is to enable members of the primary health care team to fulfil their responsibilities in the protection of children from the threat of abuse or neglect Readers are made aware of the skills required both to protect children and to subsequently maintain relationships with families The contents have been extended to include child protection issues in our multi cultural society along with comparison of different systems across Europe The book is primarily aimed at GPs and their teams social workers and health care managers will also benefit from its unique treatment of child protection issues in a primary care setting This book addresses these issues with sagacity and imagination The reader all primary care team members would benefit from it is offered facts skills attitudes and insights to help in this difficult area We can all do child protection better let us use this book to achieve that aim From the foreword by Professor Michael Pringle Immediate Past Chairman Council of Royal College of

General Practitioners **Contemporary Feminisms in Social Work Practice** Sarah Wendt, Nicole Moulding, 2016-01-29 Contemporary Feminisms in Social Work Practice explores feminism as core to social work knowledge practice and ethics It demonstrates how gender neutral perspectives and practices obscure gender discourses and power relations It also shows feminist social work practice can transform areas of social work not specifically concerned with gender through its emphasis on relationships and power Within and outside feminism there is a growing assumption that equality has been won and is readily available to all women However women continue to dominate the ranks of the poor in developed and developing countries around the world male perpetrated violence against women and children has not reduced women outnumber men by up to three to one in the diagnosis of common mental health problems and women continue to be severely underrepresented in every realm of power decision making and wealth This worrying context draws attention to the ways gender relations structure most of the problems faced by the women men and children in the day to day worlds in which social work operates Drawing together key contemporary thinking about feminism and its place in social work this international collection looks at both core curriculum areas taught in social work programs and a wide range of practice fields that involve key challenges and opportunities for future feminist social work This book is suitable for all social work students and academics It examines the nuanced nature of power relationships in the everyday and areas such as working with cross cultural communities mental health interpersonal violence and abuse homelessness child protection ageing disability and sexuality **Gender and Child Protection** Jonathan Bryn Scourfield, 2018-06-26 It has been widely noted in the social work literature that the practice of child protection is highly gendered When it comes to child abuse women come under more scrutiny and men who are more likely to present a risk of harm to children are not engaged with This important text takes stock of this controversial topic examining the state of policy and theory on the subject and exploring the organisational culture and the professional knowledge and values that influence contemporary social work in the field of child welfare Skilfully combining theory with illustrative example it concludes by focusing on the lessons for practice *The Routledge Handbook of Global Child Welfare* Pat Dolan, Nick Frost, 2017-02-17 In the context of the increasing global movement of people and a growing evidence base for differing outcomes in child welfare Routledge Handbook of Global Child Welfare provides a compelling account of child welfare grounded in the latest theory policy and practice Drawing on eminent international expertise the book offers a coherent and comprehensive overview of the policies systems and practices that can deliver the best outcomes for children It considers the challenges faced by children globally and the difference families services and professionals can make This ambitious and far reaching handbook is essential reading for everyone working to make the world a better and safer place for children **The Routledge International Handbook of Domestic Violence and Abuse** John Devaney, Caroline Bradbury-Jones, Rebecca J. Macy, Carolina Øverlien, Stephanie Holt, 2021-03-17 This book makes an important contribution to the international understanding of domestic violence and shares the latest knowledge of

what causes and sustains domestic violence between intimate partners as well as the effectiveness of responses in working with adult and child victims and those who act abusively towards their partners Drawing upon a wide range of contemporary research from across the globe it recognises that domestic violence is both universal but also shaped by local cultures and contexts Divided into seven parts Introduction Theoretical perspectives on domestic violence and abuse Domestic violence and abuse across the life course Manifestations of domestic violence and abuse Responding to domestic violence and abuse Researching domestic violence and abuse Concluding thoughts It will be of interest to all academics and students working in social work allied health sociology criminology and gender studies as well as policy professionals looking for new approaches to the subject

Children and Adolescent's Experiences of Violence and Abuse at Home Julie C. Taylor, Elizabeth A. Bates, 2023-12-20 Children and Adolescent s Experiences of Violence and Abuse at Home is a unique book that explores some of the main controversies and challenges within the field The book is organised into three sections the first covering work that has focused on the experiences of living in DV settings as a child or young person the second offers overviews of the impact of child victimisation and the final section is about working with children in practice and service based settings It includes extensive reviews of the literature empirical research and practice observations all of which provide compelling evidence of a need to change how we construct victims and design services It provides evidence for the need to work sensitively inclusively and responsively around issues of victim identification support and prevention Moreover the evidence urges us to include children s and adult victim survivor s experiences and contributions in the creation of services Concluding with a series of recommendations for both future research and ways in which we can help use the research findings to inform practice it is a must read for researchers practitioners and educators working with children and young people within the field of domestic violence and abuse It will also be of interest and value to policy makers who are reviewing legislation and those involved in commissioning psychological services and victim services that work with child and adolescent victims

Working With Violence Judith Milner, Steve Myers, 2007-05-04 Assessing and managing violence places a heavy burden on practitioners in social work criminal justice and health care settings Milner and Myers examine current explanatory theories of violence and how these influence assessment and intervention Using case studies and a variety of agency documents the strengths and weaknesses of these approaches are weighed up and a framework is presented to help workers looking to effect positive change
