Socialization The Approach From Social Anthropology:

Socialization Philip Mayer, 2013-10-08 This volume represents the first major effort to apply the distinctive techniques of British social anthropology to the subject of socialization Along with methodological and theoretical discussion there is a variety of new field material from Africa Southeast Asia and elsewhere First published in 1967 **Socialization** Philip Mayer, 2004 **Socialization** Philip Mayer, 1967 **Socialization** Association of Social Anthropologists of the Commonwealth, Philip Mayer, 1967 **Socialization: the Approach from Social Anthropology** Association of Social Anthropologists of the Commonwealth, 1973 **Socialization** Association of Social Anthropologists of the Commonwealth, Conference on Socialization, 1970 **Social Life and Development in Hong Kong** Ambrose Y. C. King, Rance P. L. Lee, 1981 The papers in this volume prepared by social scientists with different specializations address selected aspects of Hong Kong's post War development *Cross Cultural Approaches to Learning* Charles Christopher Harrington, 1973 *The Oxford Handbook of the Archaeology of Childhood* Sally Crawford, Dawn Hadley, Gillian Shepherd, 2018-05-10 Real understanding of past societies is not possible without including children and yet they have been strangely invisible in the archaeological record Compelling explanation about past societies cannot be achieved without including and investigating children and childhood However marginal the traces of children's bodies and bricolage may seem compared to adults archaeological evidence of children and childhood can be found in the most astonishing places and spaces The archaeology of childhood is one of the most exciting and challenging areas for new discovery about past societies Children are part of every human society but childhood is a cultural construct Each society develops its own idea about what a childhood should be what children can or should do and how they are trained to take their place in the world Children also play a part in creating the archaeological record itself In this volume experts from around the world ask questions about childhood thresholds of age and growth childhood in the material culture the death of children and the intersection of the childhood and the social economic religious and political worlds of societies in the past **Empirical Theology in Texts and Tables** Leslie J. Francis, Mandy Robbins, Jeff Astley, 2009 Empirical theology offers fresh and stimulating insights into the concerns of both the Church and the Academy It does this by accessing relevant empirical evidence using the tools of the social sciences and placing this evidence in the context of theological critique and contemporary debate In this pioneering collection of focused essays leading experts of empirical theology illustrate key perspectives within this rapidly expanding discipline The first section of the book explores theoretical issues underpinning the main methods of obtaining empirical data and the use of these data within theology The other two sections display the role both of qualitative studies and of the analysis of quantitative data in exploring a range of theological beliefs and religious social and educational concerns **Social Cognition and Social Development** E. Tory Higgins, Diane N. Ruble, William W. Hartup, 1985-07-26 In psychology there has been an explosion of interest in what has come to be called social cognition How do people categorise

and conceptualise social situations obligations and relationships And what are the implications of their categorisations and conceptualisations for behaviour Developmental and social psychologists are currently converging on the developmental roots of social cognitive abilities This timely 1983 book offers a useful overview of research and theory concerning social cognition and social behaviour in children at the time of this book s publication A full range of theoretical approaches is represented key problems are systematically reviewed and research programmes and perspectives of leading psychologists in the field are summarised *Socialization* Philip Mayer,1970 **Producing African Futures** Brad Weiss,2004-01-01 The cumulative implications for Africans of the neoliberal processes market speculation shifts in sites of production new modes of consumption redefinition of the relation between states and their citizenry cannot be reduced to single parameters Three themes are central the neoliberal production of personhood the crises of youth and the moral panic in which so many of the wider reforms are registered in experience With contributions on marriage payments Muslim saints popular theatre homosexuality ritual haunts domestic reproduction masculine fantasy poetic justice spirit possession and corruption

ethnographies of childhood and learning It discusses a wide range of subjects in personhood and parenthood fosterage apprenticeship and modes of learning kinship in historical perspective power politics and speech the effects of late modern capitalism on households and the complex relations between persons and things Contemporary Mormonism Marie Cornwall, Tim B. Heaton, Lawrence Alfred Young, 2001 Contemporary Mormonism is the first collection of sociological essays to focus exclusively on Mormons Featuring the work of the major scholars conducting social science research on Mormons today this volume offers refreshing new perspectives not only on Mormonism but also on the nature of successful religious movements secularization and assimilation church growth patriarchy and gender roles and other topics This first paperback edition includes a new introduction assessing the current state of Mormon scholarship and the effect of the globalization of the LDS Church on scholarly research about Mormonism *Tradition and Transition in Southern Africa* Andrew D. Spiegel, Patrick A. McAllister, This volume brings together many of the most interesting anthropologists writing on the current situation in South Africa Initially conceived as a tribute to the work of Philip Mayer the author of *Townsmen and Tribesmen* the volume continues a tradition of digging into the interstices of South African society at the folk tribal and national levels Each chapter examines the myriad ways in which tradition is a critical factor for those who must cope with the trauma of social and economic transition This theme central to the work of Philip and Iona Mayer allows the reader to probe the core issues of South Africa and provide a theoretical structure for the study of other societies in similar states of transition to modernity **Childhood and Adolescence** Uwe P. Gielen, Jaipaul L. Roopnarine, 2016-01-11 This comprehensive reference analyzes psychological and anthropological studies concerning child and adolescent development across cultures digging into often forgotten topics like street children child soldiers and parenting in war torn countries Traditionally research on child and adolescent development has focused on American youth inadvertently neglecting 96 percent of the world's children This all encompassing volume introduces global perspectives on young people across the globe focusing on such topics as parenting and childcare gender roles violence against girls adolescence in poor and rich countries and developmental psychopathology across cultures Recently updated the second edition includes the latest findings in the field additional content and new photos and charts With contributions from leading psychological and anthropological scholars chapters address worldwide changes in children's lives parent child relationships sibling relationships immigrant children and their families and adolescents in both industrialized and developing nations A special section discusses children living in difficult circumstances including street children child soldiers global nomads and children suffering from various internalizing and externalizing disorders This book is the perfect introduction to the latest trends in developmental psychology
