

# SOCIOLOGY OF GENDER

**Study of how society influences  
understandings & differences between  
masculinity & femininity**

# Society And Gender An Introduction To Sociology

**Amy S. Wharton**

## **Society And Gender An Introduction To Sociology:**

*Society and Gender* Gillian M. Lupton, Patricia M. Short, Rosemary Whip, 1992 Introductory sociology text which uses gender as an organising theme Covers the relationship between sex and gender biology and culture as well as examining approaches to social research and social inequality and aspects of areas such as the family education and politics Includes student exercises a bibliography and an index The authors teach in the Department of Anthropology and Sociology University of Queensland Published simultaneously in hardcover *Managing Gender* Jim McKay, 1997-01-01 Evaluates the implementation of affirmative action programs for women in Australian Canadian and New Zealand sporting organizations

**Sexuality and Society** Gargi Bhattacharyya, 2002 In this broad ranging introduction to the study of sexuality Gargi Bhattacharyya guides students through the key theoretical debates and shows how this applies to sexuality as it is experienced in contemporary society **The Sociology of Gender** Amy S. Wharton, 2004-08-09 Gender is one of the most important topics in the field of sociology and as a system of social practices it inspires a multitude of theoretical approaches The Sociology of Gender offers an introductory overview of gender theory and research offering a unique and compelling approach Treats gender as a multilevel system operating at the individual interactional and institutional levels Stresses conceptual and theoretical issues in the sociology of gender Offers an accessible yet intellectually sophisticated approach to current gender theory and research Includes pedagogical features designed to encourage critical thinking and debate Closer Look readings at the end of each chapter give a unique perspective on chapter topics by presenting relevant articles by leading scholars **Introduction to Gender** Jennifer Marchbank, Gayle Letherby, 2014-06-30 Thoroughly updated in this second edition Introduction to Gender offers an interdisciplinary approach to the main themes and debates in gender studies This comprehensive and contemporary text explores the idea of gender from the perspectives of history sociology social policy anthropology psychology politics pedagogy and geography and considers issues such as health and illness work family crime and violence and culture and media Throughout the text studies on masculinity are highlighted alongside essential feminist work producing an integrated investigation of the field Key features A thematic structure provides a clear exploration of each debate without losing sight of the interconnections between disciplines World in focus boxes and international case studies offer a broad global perspective on gender studies In text features and student exercises including Controversy A critical look and Stop and think boxes allow the reader to engage in the debates and revise the material covered Hotlinks throughout the text make connections between chapters allowing the reader to follow the path of particular issues and debates between topics and disciplines New to the second edition A new chapter explores gender through the discipline of philosophy A new section on international relations brings this relevant topic into focus Current discussion on the language of gender across Europe is brought in to Chapter 1 A focus on Europe and Scandinavia as well as the UK gives the text a broader scope Examples are updated throughout to ensure the text is cutting edge and relevant Introduction to

Gender second edition is highly relevant to today's students across the social sciences and is an essential introduction for students of sociology, women's studies and men's studies **The Sociology of Women** Sara Delamont, 2021-10-17

Originally published in 1980 *The Sociology of Women: An Introduction* aimed to provide a sociological biographically organised portrait of women written from a feminist perspective. It was the first self-contained analytical textbook treatment to present an account of the situation of women in modern Britain that was informed by sociological research. At the same time it remained a straightforward and elementary text in the sense that it assumed no previous knowledge and is written throughout with the beginning student in mind; it provided a lively, thorough and realistic introduction to a range of sociological issues and problems; it is abundantly illustrated by examples from research findings and views women always in the context of the wider society around them; nor does it shirk controversial questions. The book opens with a short chapter on sex and gender, then traces women's lives as they grow from childhood through to old age. There are chapters on childhood, adolescence and early adulthood in the first part of the book, which deals principally with the home, the school and friendship patterns. In part two, the focus shifts to the adult lives of women. The chapters here are on work, illness and deviance, on class and community, on politics, leisure and religion, and on motherhood and old age. An important feature of the book will be the extensive guidance it provides on further reading and the inclusion of a full bibliography of material on women's lives. **Ebook: Sociological Theory** George Ritzer, Jeff Stepnisky, 2014-10-16

The ninth edition of *Sociological Theory* by George Ritzer gives readers a comprehensive overview of the major theorists and schools of sociological thought. Key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context. Written by one of the foremost authorities on sociological theory, this text helps students better understand the original works of classical and modern theorists and enables them to compare and contrast the latest substantive concepts. **The**

**Routledge Handbook of Religion, Gender and Society** Caroline Starkey, Emma Tomalin, 2021-12-30 In an era which many now recognise as post-secular, the role that religions play in shaping gender identities and relationships has been awarded a renewed status in the study of societies and social change. In both the Global South and the Global North in the 21st century, religiosity is of continuing significance, not only in people's private lives and in the family, but also in the public sphere and with respect to political and legal systems. *The Routledge Handbook of Religion, Gender and Society* is an outstanding reference source to these key topics, problems and debates in this exciting subject area. Comprising over 40 chapters by a team of international contributors, the Handbook is divided into 3 parts: Critical debates for religions, gender and society; theories, concepts and methodologies; Issues and themes in religions, gender and society. Contexts and locations: Within these sections, central issues, debates and problems are examined, including activism, gender analysis, intersectionality and feminism, oppression and liberation, equality, bodies and embodiment, space and place, leadership and authority, diaspora and migration, marriage and the family, generation and aging, health and reproduction, education, violence and conflict, ecology and climate.

change and the role of social media The Routledge Handbook of Religion Gender and Society is essential reading for students and researchers in religious studies and gender studies The Handbook will also be very useful for those in related fields such as cultural studies area studies politics sociology anthropology and history      Sociological Theory George Ritzer,Jeffrey Stepnisky,2017-01-05 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory the Tenth Edition of Sociological Theory by George Ritzer and Jeffrey Stepnisky gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology s origins through the early 21st century Key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context This text helps students better understand the original works of classical and modern theorists and enables them to compare and contrast the latest substantive concepts New to this Edition Chapter 1 now includes a discussion of colonialism as one of the forces that shaped modern society The Historical Sketch chapters contain new material on the historical significance of early women founders and on the contributions of W E B Du Bois Chapters on Marx Durkheim Weber and Simmel now conclude with sections on contemporary applications of ideas from these 19th century thinkers A new chapter focuses theories of race racism and colonialism as well as theories about indigenous peoples and theories from the Global South that challenge the work of scholars from Europe and North America The concluding chapter has a new section on theories of prosumption one of the newest developments in consumer theory New material on colonization women classical theorists and race theory as well as new timelines added to history chapters      Gender Stevi Jackson,Sue Scott,2002 Offering students an informed overview of some of the most significant sociological work on gender produced over the last three decades these readings are supplemented by a substantial critical introduction and editorial commentary      Handbook of Religion and Social Institutions Helen Rose Ebaugh,2006-01-26 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions      The Kaleidoscope of Gender Catherine G. Valentine,Mary Nell Trautner,Joan Z. Spade,2019-03-07 The Kaleidoscope of Gender Prisms Patterns and Possibilities provides an accessible timely and stimulating overview of the cutting edge literature and theoretical frameworks in sociology and related fields in order to understand the social construction of gender The kaleidoscope metaphor and its three themes prisms patterns and possibilities unify topic areas throughout the book By focusing on the prisms through which gender is shaped the patterns which gender takes and the possibilities for social change the reader gains a deeper understanding of ourselves and our

relationships with others both locally and globally Editors Catherine Valentine Mary Nell Trautner and the work of Joan Spade focus on the paradigms and approaches to gender studies that are constantly changing and evolving The Sixth Edition includes incorporation of increased emphasis on global perspectives updated contemporary social movements such as BlackLivesMatter and MeToo and an updated focus on gendered violence

**Race, Gender, Sexuality, and Social Class**

Susan J. Ferguson, 2023-06-08 Race Gender Sexuality and Social Class Fourth Edition is an anthology of readings that explores the ways these social statuses shape our experiences and impact our life chances in society today Organized around broad topics identity power and privilege social institutions etc rather than categories of difference race gender class sexuality to underscore the idea that social statuses often intersect with one another to produce inequalities and form the bases of our identities in society The text features readings by leading experts in the field and reflects the many approaches scholars and researchers use to understand issues of diversity power and privilege Included with this title LMS Cartridge Import this title s instructor resources into your school s learning management system LMS and save time Don t use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site

Gender Identity, Equity, and Violence Geraldine B. Stahly, 2023-07-03 The authors of the thirteen chapters in this volume bring excitement and innovations to teaching about gender from a wide range of theoretical and discipline perspectives They exhibit the inclusiveness that is central to feminist pedagogy a perspective that centers the educational enterprise in the analysis of the interconnectedness of social categories that have traditionally divided and given root to inequality and oppression and aims for no less than social transformation Empowerment is a core value in gender education and the experiential approach nurtures that goal This volume provides many examples of the power of learning through experience as the authors demonstrate that the authority of the feminist teacher as intellectual and theorist finds expression in the goal of making students themselves theorists of their own lives by interrogating and analyzing their own experience Weiler 1991 To stimulate the adaptation of the approaches described in these books each volume includes an Activity Methodology table that summarizes key elements of each example such as class size pedagogy and other disciplinary applications

*Teaching Gender and Sex in Contemporary America* Kristin Haltinner, RYANNE PILGERAM, 2016-04-28 This book provides innovative pedagogy theory and strategies for college and university professors who seek effective methods and materials for teaching about gender and sex to today s students It provides thoughtful reflections on the new struggles and opportunities instructors face in teaching gender and sex during what has been called the post feminist era Building off its predecessor Teaching Race and Anti Racism in Contemporary America this book offers complementary classroom exercises for teachers that foster active and collaborative learning Through reflecting on the gendered dimensions of the current political economic and cultural climate as well as presenting novel lesson plans and classroom activities Teaching Gender and Sex in Contemporary America is a valuable resource for educators

Transforming Gender Equality and Inclusion Within Higher

Education in Ireland Lorraine McIlrath, Lorraine Leeson, Helen Maher, Marie Connolly, 2025-08-28 This open access book thematically reflects on and analyses the nature of change and transformation with respect to gender equality inclusion and diversity across higher education in Ireland from the perspectives of those who are pioneering change The authors propose that power gender dynamics and social relations can be challenged and altered through collective action transforming the national policy framework establishing a comprehensive evidence base adopting new policy and approaches to promote equality in practice They outline significant advances made in a 10 year period in terms of overcoming inequalities structural challenges promoting inclusion and advancing diversity This is achieved by consolidating the activities related to gender review processes and practices higher education policy policy enactment at the local level and lessons learned from national policy strategy and funding models The chapters in this volume presented under four thematic headings showcase pioneering practice to a national and international audience and represent a contemporary opportunity to reflect on the nature of change within the context of higher education in Ireland The book will be of interest to academics working in higher education EDI gender studies disability studies and social justice in education as well as higher education leadership policymakers and EDI practitioners

Social Stratification, Class, Race, and Gender in Sociological Perspective, Second Edition David Grusky, 2019-09-05 The volume offers essential reading for undergraduates who need an introduction to the field for graduate students who wish to broaden their understanding of stratification research and for advanced scholars who seek a basic reference guide Although most of the selections are middle range theoretical pieces suitable for introductory courses the anthology also includes advanced contributions on the cutting edge of research The editor outlines a modified study plan for undergraduate students requiring a basic introduction to the field

**Gender, Culture and Society** Chris Haywood, 2017-09-16 This text offers a wide ranging account of the dynamic relationship between gender culture and society Incorporates feminist theory theories of men and masculinity and post structuralism as well as recent global events ensuring a highly topical and relevant discussion

*Undergraduate Catalog* University of Michigan--Dearborn, 2013

Handbook of Gender, Work and Organization Emma Jeanes, David Knights, Patricia Yancey Martin, 2012-03-02 This work of reference represents a remarkably complete detailed and extensive review of the field of gender work and organization in the second decade of the 21st century Its authors represent eight countries and many disciplines including management sociology political science and gender studies The chapters by top scholars in their areas of expertise offer both reviews and empirical findings and insights and challenges for further work The chapters are organized in five sections Histories and Philosophies Organizing Work and the Gendered Organization Embodiment Globalization and Diversity Theoretical and conceptual developments at the cutting edge of the field are explicated and illustrated by the handbook's authors Methods for conducting research into gender work and organization are reviewed and assessed as well as illustrated in the work of several chapters Efforts to produce greater gender equality in the workplace are covered in nearly every chapter in terms of

past successes and failures Military organizations are presented as one of the difficult to change in regards to gender with the result that women are marginalized in practice even when official policies and goals require their full inclusion The role of the body embodiment is emphasized in several chapters with attention both to how organizations discipline bodies and how organizational members use their bodies to gain advantage Particular attention is paid to sexuality in and organizations including sexual harassment policies to alleviate bias and the likelihood that future work will pay more attention to the body's presence and role in work and organizations Many chapters also address change efforts that have been employed by individuals groups and organizations including transnational ones such as the European Union the United Nations and so on In addition to its value for teachers and students within this field it also offers insights that would be of value to policy makers and practitioners who need to reflect on the latest thinking relating to gender at work and in organizations
