

# CONTEXTS

The circumstances and setting that provide background information about an event, statement, or idea. The context helps you more fully understand something.

## SOCIAL

Social contexts are all about society and what you need to know about your society in any situation. Society has rules around behavior and interaction.

## HISTORICAL

Historical contexts are all about what was unique or specific about a certain time in history. This can include cultural and social contexts that are now in the past.

## CULTURAL

Cultural contexts are all about understanding cultural expectations and norms. It is different from social context because it's specific to a culture's or subculture's values, not the values of your society as a whole.

## ECONOMIC

Economic contexts describe what you need to know about the economics of a situation. For example, a company trying to expand to a new country will want to know the rules of business and supply chain quality to see if they will succeed.
