

# DESCRIPTIVE RESEARCH

## DEFINITION

Descriptive research involves collecting data to provide an accurate portrayal or detailed account of a phenomenon without influencing it in any way. It aims to observe, document, and create a thorough profile of the subject under study, often exploring patterns, behaviors, or attributes.

## EXAMPLES

- **National Census:** An official survey that records information about demographics, employment, and housing.
- **Market Surveys:** Businesses gather data about their consumers' preferences to understand market trends and guide product development.

**A Sociotheological**

**Approach to Catholic Social Teaching** Vivencio O. Ballano, 2022-10-31 This book introduces Catholic social teaching CST and its teaching on the common good to the reader and applies them in the realm of public health to critically analyze the major global issues of COVID 19 that undermine public interest It uses the sociotheological approach that combines the moral principles of CST and the holistic analysis of modern sociology and also utilizes the secondary literature as the main source of textual data Specifically it investigates the corporate moral irresponsibility and some unethical business practices of Big Pharma in the sale and distribution of its anti COVID vaccines and medicines the injustice in the inequitable global vaccine distribution the weakening of the United States Congress's legislative regulation against the pharmaceutical industry's overpricing and profiteering the inadequacy of the World Health Organization's WHO law enforcement system against corruption and the lack of social monitoring in the current public health surveillance system to safeguard the public good from corporate fraud and white collar crime This book highlights the contribution of sociology in providing the empirical foundation of CST's moral analysis and in crafting appropriate Catholic social action during the pandemic It is hoped that through this book secular scholars social scientists religious leaders moral theologians religious educators and Catholic lay leaders would be more appreciative of the sociotheological approach to understanding religion and COVID 19 This book brings into dialogue two bodies of literature documents of Catholic social teaching and modern sociology and its core thinkers and texts The author does especially well to describe how taking the sociotheological turn will benefit the credibility and dissemination of Catholic social thought Rev Fr Thomas Massaro S J Professor of Moral Theology Jesuit School of Theology Santa Clara University Berkeley California
