The Communicator's Commentary Louis Hadley Evans, 1985 **The Communicator's Commentary** Louis H. Evans, 1979 *The Communicator's Commentary Series: Hebrews* Lloyd John Ogilvie, *Communicator's Commentary* Louis Evans, 1991-05-01 Hebrews: a Commentary William H. Bicksler, 2005-09-14 This academic commentary on the original languages and NIV and Greek text of Hebrews focuses on the thought beliefs message that are unique to this biblical author without reference to any possible person tradition has considered as the author lest such a reference determine all possible outcomes of this study The various theories of authorship are studied in the Introduction but the message in its entirety is of unusual significance for Christian Jewish thought and relationships and the development of the Christian Jewish church in the first century and today The So called epistle in shell is actually a theological treatise and impassioned sermon to those facing extreme forms of persecution and efforts to coerce denial of the faith These believers are faced with an accepted legal status as Jews in the Roman Empire versus the people of the Way that was viewed as sectarian by the Jews and as an illegal sect by Rome The quick expansion of the church into the Roman world under the emphases and apologetics of Paul combating some opposition to his message both in the Jewish leadership as well as in the Jewish Christian churches The cruciality of holding on to the eternal truths of the past and not compromising the truth in Jesus of Nazareth places this writing front and center to the basic questions of the relationships of church and Judaism The stance of this author is that of mainline Evangelical thought with awareness of the Wesleyan Lutheran Anabaptist and Calvinistic emphases as well as others The issues of text canon and history of interpretation are specialized studies not covered in this commentary

Hebrews: A Social Identity Commentary Matthew J. Marohl, 2025-09-04 In this volume Matthew J Marohl introduces a culturally sensitive reading of Hebrews employing a social identity approach This allows readers to encounter a unique and powerful depiction of the faithful Jesus and a dynamic group of Christ followers called upon to maintain their faithfulness In the end this social identity approach reveals a work with two strands thoroughly intertwined Through the lens of conceptual blending theory Marohl examines the way in which the author combines the multiple identities of the addressees shedding light on the community dynamics of early Christ followers Marohl explores how the author describes ingroup boundaries how faithfulness is held up as the ultimate ingroup norm and how the promised rest is grounded in the language of the anticipated future Ultimately Marohl argues that Hebrews is a prime example of literature created out of crisis

The Epistle to the Hebrews Paul Ellingworth, 1993-06-04 This superb work is sure to win a name for itself as one of the major commentaries on the Epistle to the Hebrews The principal purpose of this substantial volume is to clarify the meaning of Hebrews long considered a complicated and obscure book Paul Ellingworth's fine tooth comb coverage of Hebrews looks at the text up close and in a broad light enabling the reader to see the forest as well as the trees In his determined quest to understand Hebrews Ellingworth begins with a detailed study of the Greek text working outward to consider the wider context linguistic questions and the relation of Hebrews to other early Christian writings and to the Old Testament Nonbiblical writings such as Philo and the Dead Sea Scrolls though less directly related to Hebrews are considered where appropriate Unveiling the discourse structure of this carefully written letter Ellingworth's commentary helps make coherent sense of the complexities of Hebrews As a result of his exhaustive study Ellingworth finds Hebrews to be primarily a pastoral not a polemical writing Showing how Hebrews beautifully emphasizes the supremacy of Christ Ellingworth concludes that the essential purpose of the epistle which maintains the continuity of God's people before and after Christ is to encourage readers to base their lives on nothing other and nothing less than Jesus A substantive bibliography and a comprehensive introduction precede Ellingworth's commentary and three indexes of subjects authors and Greek words discussed conclude the volume

A Homiletical Praxeology on the Persuasiveness of Literary Forms
Ferdinand P. Kruger, 2025-04-29 This book is aimed at academic scholars and preachers who deal with homiletical praxeology weekly Its purpose is to focus on the rhetorical appeal of the Biblical text which is alluded to from the viewpoint of the five preaching blocks according to Matthew s Gospel and the Hebrew sermon The book s uniqueness is encapsulated in the idea that it is a practical theological and homiletical study Consequently the book offers empirical perspectives on literary forms and an inter disciplinary engagement with neighbour sciences before presenting normative perspectives This book posits that faith communities should be exposed to more literary forms to realise that the library of the Gospel and its literature does have a rhetorical appeal that should be preached according to its purpose The unique structure and way the Gospel portrays the Kingdom that has come near as well as the Hebrews sermon offering perspectives on attitude change could enrich a homiletical practice
