discover biblical principles and apply the truths to his or her life Romans A Pentecostal Commentary by Christian author Dr Matthew N O Sadiku is designed to help students pastors and Bible teachers understand the book of Romans in a clear and simple manner Working from the popular New International Version NIV Dr Sadiku provides helpful verse by verse commentary for the book of Romans in a straightforward simple style Because the approach is uniquely Pentecostal Dr Sadiku adheres to the doctrine of biblical inerrancy and adopts a literalist approach to the interpretation of this biblical text Romans is considered by many to be one of the most important books in the Bible as well as the most transformative it was used as the battle cry of Martin Luther against legalism and superstition during the Reformation Dr Sadiku explores new theories on Paul's letters to the Romans and supports his interpretations with historical and cultural background information from the Scriptures and outside sources Dr Sadiku also shares some of the blessings and lessons learned from his study More than a commentary this engaging text will deepen your understanding of Romans and Christ himself *Exploring Romans* George R. Knight, 2010 Romans is one of the few books in the New Testament that was not composed as a pastoral response to specific localized problems Instead this letter was written primarily to challenge and ultimately correct widespread misunderstandings about Christianity held by mid first century believers Some of these beliefs are embraced even now Paul's central focus in Romans is the means of obtaining salvation Point by point he systematically builds his case by articulating who needs salvation and why the role of the law God's response to the sin problem resolution of the legal issues presented by sin and the effect each has on the Christian's life This devotional commentary divides the entire text into short passages that are followed by a detailed user friendly exegetical explanation and practical application to everyday life The lives of such men as Martin Luther and John Wesley whose writings helped shape Western history were changed by the study of Romans It will change your life as well Book jacket **Romans** R. Kent Hughes, 2013-05-31 Paul's letter to the Romans is considered by many to be the richest exposition of theological truth ever written The majestic themes of justification by faith freedom from sin substitutionary atonement and God's gracious adoption of sinners ring throughout its pages In this classic commentary now updated with a fresh look and Scripture references from the ESV Bible pastor R Kent Hughes brings clear exposition and pointed application to this power packed Pauline letter Useful for corporate or individual study this volume will encourage and equip believers in their walk with God and understanding of his Word Part of the Preaching the Word series *Going on to Salvation, Revised Edition* Maxie Dunnam, 2010-10-01 The church today desperately needs to recover the depth richness and wonder of the biblical and Wesleyan doctrine of salvation In this book author Maxie Dunnam offers his perspective on how to make this recovery possible Drawing deeply on biblical and Wesleyan sources Dunnam leads his readers on a rich and challenging tour of what it means to say that we are going on to salvation saved by grace Ten well drawn chapters map the full terrain of justifying sanctifying and perfecting grace and mark off those detours that too frequently have confused the way of salvation Each chapter includes questions for personal reflection and group discussion Also included in this revised
