**The Community College and the Good Society** Chad Hanson, 2017-09-08 The community college is the largest single sector of the U S higher education network As of 2005 40 percent of newly enrolled undergraduate students attended community colleges The American two year school is a vast rapidly changing and understudied institution The aim of *The Community College and the Good Society* is to critically analyze the internal changes and external forces that shifted the focus of the two year college from the liberal arts to job training Chad Hanson raises a series of questions about what is lost or forsaken when public institutions become preoccupied with economic goals When educational institutions turn their attention toward training workers to private sector specifications Hanson argues our social and cultural lives suffer He describes the learning college movement an ideological framework that justifies the current emphasis on vocational training In addition he explores the implications of competency based education a philosophy and method for creating curriculum with strong support among administrators and boards of trustees For more than four decades a steady stream of commentary aimed at understanding the two year school made its way into the literature on higher education In this work Hanson provides an alternative view of the community college He offers suggestions for new teaching strategies curriculum and organizational structure These changes will encourage the potential for the two year college to flourish as an institution that provides a permanent place for the arts and sciences

**Colour, Class and Community - The Natal Indian Congress, 1971-1994** Ashwin Desai, Goolam Vahed, 2021-11-01 Positions the history and inner workings of the Natal Indian Congress NIC against the canvas of the major political developments in South Africa

during the 1970s and 1980s up to the first democratic elections in 1994 Following a hiatus in the 1960s the Natal Indian Congress NIC in South Africa was revived in 1971 In fascinating detail Ashwin Desai and Goolam Vahed bring the inner workings of the NIC to life against the canvas of major political developments in South Africa during the 1970s and 1980s and up to the first democratic elections in 1994 The NIC was relaunched during the rise of the Black Consciousness Movement which attracted a following among Indian university students and whose invocation of Indians as Black led to a major debate about ethnic organisations such as the NIC This debate persisted in the 1980s with the rise of the United Democratic Front and its commitment to non racialism The NIC was central to other major debates of the period most significantly the lines drawn between boycotting and participating in government created structures such as the Tri Cameral Parliament Despite threats of banning and incarceration the NIC kept attracting recruits who encouraged the development of community organisations such as students radicalised by the 1980s education boycotts and civic protests Colour Class and Community The Natal Indian Congress 1971 1994 details how some members of the NIC played dual roles as members of a legal organisation and as allies of the African National Congress underground armed struggle Drawing on varied sources including oral interviews newspaper reports and minutes of organisational meetings this in depth study tells a largely untold history challenging existing narratives around Indian cabalism and bringing the African and Indian political story into present debates about race class and nation *Working Class Credit and Community since 1918* A. Taylor,2002-11-26 This book explores the forms of credit which have historically been associated with the British working class Taylor seeks to assess the effect of credit on working class communities and relates this to the debate about community This work is the first comprehensive examination of the history of these forms of credit to make comparisons between the periods before and after 1945 Based on extensive archival research and oral history interviews this book combines lively individual accounts with theoretical arguments **Class, Inequality and Community Development** Shaw, Mae,Mayo, Marjorie,2016-09-06 With inequality continuing to be an incredibly salient political and social issue this book on the part it plays in community development could not be more timely Arguing strenuously that class analysis should be central to any discussion of the potential benefits of community development because otherwise development can simply mask the underlying causes of inequality the book brings together contributors from a wide range of backgrounds to explore the ways that an understanding of class can offer a new path in the face of increasing social polarization
