

the **COMPLEAT** **MUZZLELOADER**

L. Gordon Stetser Jr.

Finally there is a book that introduces newcomers to the sport of shooting muzzleloaders. Beginning with an assessment of the role these guns played in American history, it goes on to explain—in nontechnical terms—the hows and whys of loading and some basics about hunting with muzzleloading rifles, pistols, and shotguns. Though not specifically a reference manual, *The Compleat Muzzleloader* offers both green and seasoned shooters a well-rounded perspective, as well as detailed information, about black powder weapons.
