Neri,2021-04-02 From a Coretta Scott King Author Award Honor recipient comes a street smart tale about a displaced teen who learns to defend what's right the Cowboy Way Now available in a movie tie in edition When Cole's mom dumps him in Philadelphia to live with the dad he's never met the last thing Cole expects to see is a horse let alone a stable full of them He may not know much about cowboys but what he knows for sure is that cowboys aren't black and they don't live in the inner city But in his dad's world horses are a way of life and soon Cole's days of skipping school and getting in trouble in Detroit have been replaced by shoveling muck and trying not to get stomped on At first all Cole can think about is how to ditch these ghetto cowboys and get home But when the City threatens to shut down the stables and take away the horse Cole has come to think of as his own he knows that it's time to step up and fight back Inspired by the little known urban riders of Philly and Brooklyn this compelling tale of latter day cowboy justice champions a world where your friends always have your back especially when the chips are down **Concrete Cowboys** Digiview
