Banfield, 2017-10-14 Excerpt from *The Confessions of a Beachcomber* Here then I come to a point at which frankness is necessary In these pages there will be an endeavour to refrain from egotism and yet how may one who lives a lonesome life on an island and who presumes to write its history evade that duty My chief desire is to set down in plain language the sobrieties of everyday occurrences the unpretentious homilies of an unpretentious man one whose mental bent enabled him to take but a superficial view of most of the large heavy and important aspects of life but who has found light in things and subjects homely slight and casual who perhaps has queer views on the pursuit of happiness and who above all has an inordinate passion for freedom and fresh air About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Beachcomber** E. J. Banfield, 2013-12-18 No better more human more finely descriptive or more enticing books have ever been written by an Australian of Australia The Sydney Mail This is a wholly exceptional book which has been lived and there are not over many books like that The Daily Chronicle America had Henry David Thoreau James Audubon John Burroughs and John Muir Australia had E J Banfield the beloved Beachcomber of Dunk Island Join Banfield as he describes his escape from hectic civilization to the simpler pleasures of a tropical paradise A physical wreck Banfield literally crawled onto the beach in Brammo Bay from the ship's launch that brought him to the island where he would spend the remainder of his life and would find renewed health and interest in life A disciple of Thoreau Banfield became a champion of species preservation and using his pen as his sword he eventually persuaded the Australian government to set aside Dunk Island as a protected area for wild birds of all species During his life on the island Banfield became a keen observer of the nature around him and while he argues his amateur approach to the study of nature his catalog of the island's life provides an intriguing and comprehensive look at what it means to live free on a tropical island For modern readers Banfield's observations remind us of an intriguing complex interesting and intensely enjoyable world beyond the television screen and computer monitor      **The Confessions of a Beachcomber** E.
