The Confessions Of Max Tivoli:

The Confessions of Max Tivoli Andrew Sean Greer,2005-02 Born as an old man Max Tivoli lives his life aging backwards falling in love and living an odd sometimes terrifying life in San Francisco at the turn of the nineteenth century

The Confessions of Max Tivoli Andrew Sean Greer,2004 Out of the womb in 1871 Max Tivoli looked to all the world like a tiny 70 year old man But inside the aged body was an infant Victim of a rare disease Max grows physically younger as his mind matures In this finely crafted novel Max narrates his life story from the vantage point of his late fifties though his body is that of a 12 year old boy

The Confessions of Max Tivoli Andrew Sean Greer,2007-04-01 From the bestselling and Pulitzer Prize winning author of *Less* comes Andrew Sean Greer's extraordinarily haunting love story *The Confessions of Max Tivoli* told in the voice of a man who appears to age backwards A Today Show Book Club Pick We are each the love of someone's life So begins *The Confessions of Max Tivoli* a heartbreaking love story with a narrator like no other At his birth Max's father declares him a nisse a creature of Danish myth as his baby son has the external physical appearance of an old dying creature Max grows older like any child but his physical age appears to go backward on the outside a very old man but inside still a fearful child The story is told in three acts First young Max falls in love with a neighborhood girl Alice who ages as normally as any of us Max of course does not as a young man he has an older man's body But his curse is also his blessing as he gets older his body grows younger so each successive time he finds his Alice she does not recognize him She takes him for a stranger and Max is given another chance at love Set against the historical backdrop of San Francisco at the turn of the twentieth century Max's life and confessions question the very nature of time of appearance and reality and of love itself A beautiful and daring feat of the imagination Andrew Sean Greer's *The Confessions of Max Tivoli* reveals the world through the eyes of a monster a being who confounds the very certainties by which we live and in doing so embodies in extremis what it means to be human

Gilbert,2008-12-01 In this critically acclaimed comic masterpiece David Gilbert tells the story of Billy Schine a young man who innocently enrolls in a 14 day human drug testing study and finds his normal world turned upside down Like a One Flew Over the Cuckoo s Nest for the postmodern age The Normals is a tour de force from a writer of astonishing intelligence and imagination **Write That Book Already!** Sam Barry,Kathi Kamen Goldmark,2010-04-18 From the foreword by Maya

Angelou T he joy they promise in their prose makes me glad that I and other writers have been willing to make good writing our aim and even great writing our dream How do I get my book published Good question Lucky for you publishing insiders Sam Barry and Kathi Kamen Goldmark have laid out the blueprint for what you want your book From transforming an idea into a manuscript to finding an agent to working with an editor to marketing your book BookPage s Author Enablers are here to assist you every step of the way And they ve brought some backup with original insight from literary superstars like Stephen King Amy Tan Rita Mae Brown and more It s everything you would ever want and need to know about the industry from the inside out The Nineteenth Century Revis(it)ed Ina Bergmann,2020-12-29 The Nineteenth Century Revis it ed

The New Historical Fiction explores the renaissance of the American historical novel at the turn of the twenty first century The study examines the revision of nineteenth century historical events in cultural products against the background of recent theoretical trends in American studies It combines insights of literary studies with scholarship on popular culture The focus of representation is the long nineteenth century a period from the early republic to World War I as a key epoch of the nation building project of the United States The study explores the constructedness of historical tradition and the cultural resonance of historical events within the discourse on the contemporary novel and the theory formation surrounding it At the center of the discussion are the unprecedented literary output and critical as well as popular success of historical fiction in the USA since 1995 An additional postcolonial and transatlantic perspective is provided by the incorporation of texts by British and Australian authors and especially by the inclusion of insights from neo Victorian studies The book provides a critical comment on current and topical developments in American literature culture and historiography **The Book of Men**

Colum McCann, Tyler Cabot, Lisa Consiglio, 2013-11-05 Eighty pieces of short fiction and nonfiction on manhood by some of the world's best writers presented by Colum McCann Esquire and Narrative 4 To help launch the literary nonprofit Narrative 4 Esquire asked eighty of the world's greatest writers to chip in with a story all with the title How to Be a Man The result is The Book of Men an unflinching investigation into the essence of masculinity The Book of Men probes with the poignant honesty and imagination that only these writers could deliver the slippery condition of manhood You will find men striving and searching learning and failing to learn triumphing and aspiring men who are lost and men navigating their way toward redemption These stories don't just explore what it is to be a man or how to achieve manliness but ultimately what it is to be a human with all of its uncertainty complexity clumsiness and beauty With contributions from literary luminaries as diverse as the subjects they capture and curated by the editors of Esquire National Book Award winner Colum McCann and Narrative 4 a global nonprofit devoted to using storytelling as a means to empathy The Book of Men might not teach you how to negotiate a deal or mix a Manhattan but it does scratch at that most eternal of questions What is a man **How to be Lost** Amanda Eyre Ward, 2004 Caroline Winters a New Orleans cocktail waitress heads west to look for her sister Ellie who has been missing since she was six *Shining at the Bottom of the Sea* Stephen Marche, 2008-08-05 A virtuoso performance from a literary talent who crafts a vividly drawn history of an imaginary country In this stylistic tour de force Stephen Marche creates the entire culture of a place called Sanjania its national symbols political movements folk heroes a group of writers dubbed fictioneers a national airline called Sanjair and a rich literary history This richly detailed story takes you to an island nation whose English speaking citizens draw upon the English American Australian and Canadian literary traditions Marche has compiled this brilliant anthology guiding the reader from the rough and tumble pamphlets of 1870s Sanjania to the extraordinary longing of the writings of the Sanjanian Diaspora These works develop into a Rashomon like story introducing us to illustrious Sanjanian figures such as the repentant prostitute Pigeon Blackhat and the magically talented couple Caesar and Endurance The result is a vibrant evocation of a country from the birth pangs of its first settlers and their hardy vernacular to its revolutionary years and all the way to the present The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other

entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
