The Conquest Of Bread:

The Conquest of Bread Peter Kropotkin, 2008 The fourth title in AK Press Working Classics Series This is Kropotkin's most extensive study of human needs and his outline of the most rational and equitable means of satisfying them A combination of detailed historical analysis and far reaching utopian vision this is a step by step guide to social revolution Includes a new introduction that places the work in its historical context and discussed the contemporary relevance of Kropotkin's ideas *The Conquest of Bread* Petr Alekseevich Kropotkin (kni'a'z'), 1906 *Kropotkin: 'The Conquest of Bread' and Other Writings* Petr Alekseevich Kropotkin, 1995-08-10 The Russian anarchist Peter Kropotkin was the world's foremost spokesman of anarchism at the end of the nineteenth and the beginning of the twentieth centuries The Conquest of Bread is his most detailed description of the ideal society embodying anarchist communism and of the social revolution that was to achieve it Marshall Shatz's introduction to this edition traces Kropotkin's evolution as an anarchist from his origins in the Russian aristocracy to his disillusionment with the Russian Revolution and the volume also includes a hitherto untranslated chapter from his classic *Memoirs of a Revolutionist* which contains colourful character sketches of some of his fellow anarchists as well as an article he wrote summarising the history of anarchism and some of his views on the Revolution

The Conquest of Bread (100 Copy Collector's Edition) Peter Kropotkin, 2020-08-17 The Conquest of Bread is a piece of political anarchist literature detailing what Kropotkin considers to be the defects of the economic systems of feudalism and capitalism He describes why he believes they thrive on and maintain poverty and scarcity and goes on to propose a more decentralized economic system based on mutual aid and voluntary cooperation Kropotkin asserts that the tendencies for this kind of organization already exist both in evolution and in human society The Conquest of Bread was heavily influential on both the Spanish Civil War and the Occupy movement It first appeared as a series of articles in the anarchist journal *Le Revolt* before being published as a book in Paris in 1892 The publication of the text was a turning point in anarchist history since it was the first time that a completed and in depth theoretical work of anarcho communist theory was available to the public This cloth bound book includes a Victorian inspired dust jacket and is limited to 100 copies The Conquest of Bread - Peter Kropotkin Peter Kropotkin, 2009-12-29 A passage from the book One of the current objections to Communism and Socialism altogether is that the idea is so old and yet it has never been realized Schemes of ideal States haunted the thinkers of Ancient Greece later on the early Christians joined in communist groups centuries later large communist brotherhoods came into existence during the Reform movement Then the same ideals were revived during the great English and French Revolutions and finally quite lately in 1848 a revolution inspired to a great extent with Socialist ideals took place in France And yet you see we are told how far away is still the realization of your schemes Don't you think that there is some fundamental error in your understanding of human nature and its needs At first sight this objection seems very serious However the moment we consider human history more attentively it loses its strength We see first that hundreds of millions

of men have succeeded in maintaining amongst themselves in their village communities for many hundreds of years one of the main elements of Socialism the common ownership of the chief instrument of production the land and the apportionment of the same according to the labour capacities of the different families *The Conquest of Bread* Petr Alekseevich Kropotkin,2012-02 This book is part of the TREDITION CLASSICS series The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again worldwide At trediton we believe that a great book never goes out of style Several mostly non profit literature projects provide content to trediton To support their good work trediton donates a portion of the proceeds from each sold copy As a reader of a TREDITION CLASSICS book you support our mission to save many of the amazing works of world literature from oblivion
