**On the Bank of the River of God** Sergey Alexandrovich Nilus, Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> The goal and purpose of the Christian writer is to be a servant of the Word to contribute to the disclosure in Him of the unified truth in its infinitely diverse manifestations in the earthly life of a Christian and thereby lead the Christian soul along the path of Orthodoxy from temporary life to eternal life in Christ Jesus our Lord After the publication of this book I sent it as a gift to Bishop Theophan of Poltava In response to this Vladika wrote me the following on November 24 1915 Honorable Sergey Alexandrovich I sincerely thank you for your attention to me expressed in sending me your book On the Bank of the River of God I read all your books with great interest and completely share your views on recent events People of this world live by faith in progress and lull themselves into unrealizable dreams Stubbornly and with some bitterness they persecute the very idea of the demise of the world and the coming of Antichrist Their eyes are spiritually blinded Seeing they do not see and hearing they do not understand But the meaning of these events is not hidden from the truly believing children of God and even more so on whoever the favor of God rests they will be open to the time of the coming of Antichrist and the end of the world for sure When the Lord speaks out His formidable Judgment over the sinful world My spirit shall not always strive with man for that he also is flesh Gen 6:3 then He will say to His faithful servants Wherefore come out from among them and be ye separate and touch not the unclean thing and I will receive you 2 Cor 6:17 cf Isa 52:11 And hide them from the eyes of the world sighing in fear of impending disasters Therefore the great merit of those who remind people of this world about the coming great times and events May the Lord help you to Preach the word be instant in season out of season reprove rebuke exhort with all longsuffering and doctrine 2 Tim 4:2 Your sincere admirer and worshiper Bishop Theophanes God help you to say this in the preaching the word hearing of the world of everything these words of the bishop came true in all accuracy during the years of the revolution Such is the significance of the episcopal blessing and moreover of such a bishop as Theophan

The Witness of God John G. Flett, 2010-04-30 The Witness of God is a constructive revision of Trinitarian missio Dei theology In it John G Flett argues that the neglect of mission as a theological locus has harmful consequences both for understanding the nature of God's connection with world and the corresponding nature of the Christian community The Secret Power of God's Favour Dr. Ephiel Mukamuri, 2020-03-30 Before God does anything He proclaims it His WORD does not return to Him empty It accomplishes God's purpose God is about to manifest His FAVOR in your life like never before That's why this book is in your hands Prayerfully read it and receive it like seed in the good soil of your born again spirit You will harvest God's SUPERNATURAL FAVOR in Jesus Name The saying is true that A DAY OF GOD'S FAVOR IS GREATER THAN a 1000 DAYS OF LABOUR **Ouroboros, Adventures in the Matrix** E. R. Scofield, 2010-08-07 Ouroboros

Adventures in the Matrix is a collection of illustrations and the short stories inspired by the pictures In Ouroboros you will meet fairies and ghouls Aliens and everyday people Each story is an adventure not to be missed The Church of God Mickey Crews,1990 This book delves into the remarkable rise of the Church of God a Pentecostal denomination born in the rural mountains of Tennessee and North Carolina at the turn of the twentieth century Emerging alongside the Populist movement the church offered a distinct spiritual response to the anxieties of a rapidly changing society The author meticulously traces the church s evolution from its humble beginnings to its current global reach exploring its unique theology strict moral code and the development of its hierarchical structure This journey unveils the intricate interplay between religious fervor social class and cultural context Through vivid accounts of early members experiences the book illuminates the church s appeal as a close knit community offering spiritual empowerment and a sense of belonging It also sheds light on the challenges faced by the church including internal conflicts and external persecution Ultimately this book offers a nuanced understanding of how the Church of God navigated the tensions between tradition and modernity carving out a space for itself in the American religious landscape Its insights into the dynamics of religious communities and the enduring power of faith resonate even today **Isaiah 1-39** Gary V. Smith,2007 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text *Famine for the Word of God* Lamar Mauldin,2020-04-12 As Lamar Mauldin studied the phenomenon of modern Bible versions it became apparent that a conspiracy of sorts was behind them Not that all the translators were necessarily evil but the overall desire of some to undermine the King James Version is of itself diabolical This book has been written to alert the Christian world to this conspiracy Quoting from several sources regarding the integrity of some of the translators from bygone years the author attempts to show that they although likely sincere were less than accurate in their translation of the Hebrew and Greek manuscripts into English Use of extensive passages from the writings of Ellen G White further shows the validity of the King James Version of the Bible The grand language of the King James Version has stood the test of time and it finds no equal in the modern translations Because the Bible is the means through which God has chosen to communicate with fallen humanity the way in which we read and understand it is vital *The Awful Grace of God* Stuart Wexler,Larry Hancock,2012-03-20 The Awful Grace of God chronicles a multi year effort to kill Martin Luther King Jr by a group of the nation s most violent right wing extremists Impeccably researched and thoroughly documented this examines figures like Sam Bowers head of the White Knights of the Ku Klux Klan of Mississippi responsible for more than three hundred separate acts of violence in Mississippi alone J B Stoner who ran an organization that the California attorney general said was more active and dangerous than any other ultra right organization and Reverend Wesley Swift a religious demagogue who inspired two generations of violent extremists United in a holy cause to kill King this network of racist militants were the likely culprits behind James Earl Ray and King s assassination in Memphis on April 4th 1968 King would be their ultimate prize a symbolic figure whose

assassination could foment an apocalypse that would usher in their Kingdom of God a racially pure white world Hancock and Wexler have sifted through thousands of pages of declassified and never before released law enforcement files on the King murder conducted dozens of interviews with figures of the period and re examined information from several recent cold case investigations Their study reveals a terrorist network never before described in contemporary history They have unearthed data that was unavailable to congressional investigators and used new data mining techniques to extend the investigation begun by the House Select Committee on Assassinations The Awful Grace of God offers the most comprehensive and up to date study of the King assassination and presents a roadmap for future investigation **The Preached God** Gerhard O. Forde,2017-01-01 The Preached God speaks directly to preachers calling them to deliver the truths of forgiveness life and salvation through both word and sacrament to all who listen Unconditional Devotion Maud A. Rider,2011-10-31 Throughout my entire life as far back as I can remember I felt a deep conviction in my heart for people to serve God righteously and in truth However my sinful life ruled but despite how firm or deep the bondages were my craving to serve God and live as I read in the old Bible my father had could not be satisfied by nothing in this world But despite my bondage when my life was at the lowest point in my thirties the Lord came to me and told me Jesus is the answer he knows all our needs Jesus is the answer he cares Give your life to Jesus and trust him today For Jesus is the answer we need Shortly after I was called to preach The Lord is Holy Direction was later given in dreams to write God has called and is calling man to an unconditional dedicated devoted relationship and fellowship with him Nothing God does he does different from his word nothing he commands man to do can be done differently and be acceptable unto him for works done differently from a command is not done as instructed Unconditional Devotion is the supreme power that kept every person that ever lived righteously in the earth pleasing unto God Those that claimed life in God and was alive in God had no other sanctification before God but obedience to the word Let us not forget that the word of the LORD is right and all his works are done in truth Ps 33 4 **After the Death of God** John D. Caputo,Gianni Vattimo,2007 In these original essays and interviews leading hermeneutical philosophers and postmodern theorists John D Caputo and Gianni Vattimo engage with each other s past and present work on the subject and reflect on our modern transition from secularism to post secularism *The Hospitality of God* Brendan Byrne,2015 Luke portrays the life and ministry of Jesus as a divine visitation to the world seeking hospitality The One who comes as visitor and guest becomes host and offers a hospitality in which the entire world can become truly human be at home and know salvation in the depths of their hearts In this new edition of *The Hospitality of God* Brendan Byrne SJ provides to the point commentary on those parts of Luke s gospel that bring home to people a sense of the extravagance of God s love for them *The Hospitality of God* approaches Luke s gospel through the interpretive key of hospitality It looks at the gospel as a whole yet lingers upon scenes where the theme of hospitality is particularly prominent such as the infancy stories Jesus at Nazareth Jesus in the house of Simon the Good Samaritan Martha and Mary the banquet
