The Contemplative Pastor Returning To The Art Of Spiritual Direction:

The Contemplative Pastor Eugene H. Peterson, 1993 Peterson who has been gaining a growing reputation as a pastor s pastor speaks words of wisdom and refreshment for pastors caught in the busy ness of preaching teaching and running the church Chapters include poetic reflections on the Beatitudes advice on spiritual direction between Sundays and the language of prayer

The Contemplative Pastor Eugene H. Peterson, 1989-01-01 Overlooked essentials of ministry In the busyness of preaching teaching and overseeing church ministries it s easy to let the urgent displace the important The immediate overwhelms the eternal And pastors find themselves running the church but not curing souls This book is a reminder of the essence of ministry It offers fresh thoughts on the important but neglected art of spiritual direction Author Eugene Peterson is the pastor of a 300 member Presbyterian church but he has focused his ministry on the practice of spiritual direction Christianity Today published a major article on Peterson calling him a monk out of habit He has earned a widespread reputation as a thoughtful articulate practitioner of the spiritual disciplines This book provides welcome refreshment for parched pastors Peterson does not heap up guilt for not being more disciplined Instead the book itself is an oasis a source of rejuvenation and recommitment to true ministry Jacket

Using the Bible in Spiritual Direction Liz Hoare, 2016-01-10 Spiritual direction is increasingly popular among Christians of all mainstream traditions with demand for directors outstripping supply in many places And although the Bible is central to the practice of spiritual direction very little has been published on how best to use it in this form of ministry Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience in order to discourage poor shallow or rigid use of the Bible which can lead to damage and inhibit spiritual growth According to Hoare the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ for the flourishing of the church as a whole Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality as well as current literature and practice this book offers a rich stimulating and thoroughly biblical resource for all those who give and receive spiritual direction

Henri Nouwen and Soul Care Wil Hernandez, 2008 In examining Henri Nouwen s approach to the ministry of soul

care and spiritual formation at close range we can conclude that his holistic and integrative style is essentially drawn from his sophisticated understanding of the coinherence of spirituality with psychology ministry and theology Henri Nouwen's ministry is characterized by a ministry of integration primarily because he first of all embodied a spirituality of integration His ministry was but an overflow of his spirituality Unquestionably Nouwen ministered out of who he was as a person a person of deep integrity The author contends that Henri Nouwen's work of soul care and spiritual formation is never about techniques Neither is it about programs and curricula important as they are in ministry More importantly it is definitely not about roles even though multiple roles have been attached to his person

The Preacher as Liturgical Artist Trygve David Johnson, 2014-01-24 Trygve Johnson invites us to consider a new metaphor of identity of The Preacher as Liturgical Artist This identity draws on a theology of communion and the doctrine of the vicarious humanity of Christ to relocate the preacher's identity in the creative and ongoing ministry of Jesus Christ Johnson argues the metaphorical association of the preacher and artist understood within the artistic ministry of Jesus Christ frees the full range of human capacities including the imagination to bear upon the arts of Christian proclamation The Preacher as Liturgical Artist connects preachers to the person and work of Jesus Christ whose own double ministry took the raw materials of the human condition and offered them back to the Father in a redemptive and imaginative fashion through the Holy Spirit It is in the large creative ministry of Jesus Christ that preachers find their creativity freed to proclaim the gospel bodily within the context of the liturgical work of God's people

Wisdom From the Margins William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price
