The Of Revelation A Simplified Commentary:

The Book of Revelation Harry Buis,1960 **Social-Science Commentary on the Book of Revelation** Bruce J. Malina,John J. Pilch, A groundbreaking first social science commentary on this popular book of the Bible **God, Order, and Chaos** Stephen Finamore,2009-04-01 The ideas of Rene Girard are having a profound effect on Christian theology This book offers a critical introduction to his thought and then uses it to interpret the Book of Revelation The result is a reading of extraordinary relevance for the contemporary world Readers of the Apocalypse are often disturbed by the images of destruction in the book and are unsure why these are unleashed after the exaltation of Jesus This study examines past approaches to these texts and uses Girard s theories to revive some old ideas and propose some new ones Seen in this light the Apocalypse becomes the story of the ultimate vindication of the victim a source of hope and a resource that can be used both to encourage resistance to the destructive forces within culture and to help the church and the poor to engage constructively with the issues of our day *Revelation: The Easy Study Bible Commentary* Dr. Trennis E. Killian,2019-09-13 Revelation The Easy Study Bible Commentary This commentary is for you if you struggle to understand the New Testament and would like to discover what God s word has to say to you In Revelation The Easy Study Bible Commentary I have taken the book of Revelation and examined described and explained it chapter by chapter paragraph by paragraph verse by verse phrase by phrase and finally word by word Each significant Greek word is examined and explained as to how it fits into the verse that it is in In my thirty five years of Bible study I have found this arrangement to be the easiest to follow and understand I have done my best to write this commentary with the idea in mind of making it easier for you to understand and therefore apply the great teachings that God has given to each of us through the book of Revelation At the end of each section that we study I will give you what I call my Greek Paraphrase What I do is take all the expanded Greek definitions and put them together to help us better understand the passage **Wisdom, Science, and the Scriptures** Stephen Finamore,John Weaver,2015-04-07 This collection of essays is offered in admiration of and in gratitude for the work of Ernest Charles Lucas The title of the volume acknowledges Ernest s particular areas of interest and expertise The word wisdom comes first for two reasons firstly because the Bible s Wisdom literature is a particular love about which Ernest has published a number of books and secondly because wisdom is a characteristic of the man Several of the contributions to this volume pick up the theme of biblical wisdom while others touch on the practical application of a wisdom shaped by the Scriptures to vital contemporary issues The second word of the title science reflects both Ernest s first career as a research bio chemist and his interest as a theologian in exploring the relationship between science and faith This area of interest is reflected in a number of the contributions to this collection including Ernest s passionate interest in and concern about climate change The final words of the title are and the Scriptures Ernest has at one time or another taught every part of the Bible and retained a keen interest in the discipline of Biblical Studies Once again this is reflected in some of the contributions There are other

aspects to Ernest Lucas and among them is a love of sport especially cricket And so the collection ends with a reflection on this wonderful pastime

To Read and To Know Bogdan Costea,Alexandru Costea,2024-01-10 In some language groups Bible commentaries and translations are of lesser quality often due to the lack of training in Greek Hebrew and Aramaic for their authors and translators Additionally many commentaries are authored by those who are unfamiliar with the language church and culture of the target audience Further some language groups struggle with the quality of translations even of the biblical text itself A translation may not be based on the biblical languages but on a Bible translation in another modern language This can result in the theological perspective of the previous translators being unwittingly written into the subsequent translation How can these challenges be addressed In this volume of the Tyndale Theological Seminary Theses Series two brothers Bogdan and Alexandru Costea address these types of biblical studies issues in Romania Bogdan writes about the importance of having a Romanian commentary series that compares the biblical languages with the Romanian Bible versions used by Evangelicals and interacts with the Church Fathers Alexandru evaluates the meaning and implications of as translated in the Romanian Orthodox Bible a word commonly translated as save in many English contexts These two men thus grapple with the core issues related to commentary production suitable for the Romanian context as well as provide a model for other language contexts Their interest in conjunction with that of Dr Octavian Baban and Dr H H Drake Williams III has helped to produce the Seria Comentarii Exegetice Rom ne ti Oradea RO Decenu 2023

The Mystery of God, the Final Episode Paul Winkler,2016-01-26 In this eye opening commentary Paul Winkler unlocks the Scriptures to reveal the mystery of God and how it was fulfilled just as Jesus promised within one generation of Christs time on earth Winkler condenses intensely technical studies from around the world and across time to present an easy to read verse by verse discussion of the entire book of Revelation His masterful inclusion of Scriptures from both the Old and New Testaments will leave readers feeling confident instead of confused and able to apply kingdom promises to their lives today His work supports the preterist prophecy already fulfilled viewpoint If one gives an answer before he hears it is folly and shame The one who states his case first seems right until the other comes and examines him Proverbs 18 13 17 ESV
