THE BASICS OF TENNIS

1

SCORING

Tennis has a different scoring system than other sports and uses some of the terminology not commonly used.

2

TOSS

Before starting the match, all the players gather at the center of the court and decide which team will serve and the receiver.

3

FAULTS IN SERVES

A tennis match always starts with serving. The ball is hit in the air, passing over the net and dropping into the opponent's side.

4

SETS

It is essential to winning 4 points before the opponent wins a game. A set comprises six games. These sets can vary and have no specific number.

5

RANKING OF THE PLAYERS

The players are ranked in tennis after analyzing their performance in the matches.

6

DEUCE

Deuce is a terminology used when the match is tied at 40-40. The players continue the game until they can score two points in a row for winning.

throughout McFee challenges the assumptions of traditional analytic philosophy regarding the completeness required of concepts and the exceptionlessness required of philosophical claims providing the reader with a new set of tools with which to approach this challenging subject On Sport and the Philosophy of Sport is fascinating and important reading for any serious students or researchers of sport philosophy
