Shirley Fish, 2015-07-27 When the Centurion and a squadron of six vessels and 1 959 men and boys set out from England in 1740 on a round the world expedition they were unaware of the terrifying events that awaited them in the days ahead The squadron under the command of Commodore George Anson had departed from England with every hope of a successful mission to harass and take prizes in the Spanish possessions of the Americas and in Asia The journey proved more challenging than anticipated and at times it seemed nightmarish and beyond anything experienced by the crew The ship survived two huge waves and a lightning strike Then there was the great loss of life amongst the crew who perished due to the devastating symptoms of scurvy Despite these setbacks there were moments of pure joy especially when the Centurion captured the fabulously wealthy Manila Acapulco Galleon in the Philippines the Nuestra Senora de Covadonga Throughout the Centurion s career as a royal naval warship in the eighteenth century she played a role in the capture of Quebec during the French and Indian War and the invasion of Havana in the Seven Years War She was also instrumental when dealing with the Barbary Corsairs of Algeria and Morocco Amongst the famous men who sailed on this vessel were John Harrison the inventor of the first maritime sea clock and Joshua Reynolds the celebrated portrait painter The details of the journeys to the Americas Asia and Europe are described in this biographical travelogue of the Centurion **DK Eyewitness Travel Guide Europe** DK Travel, 2017-01-17 DK Eyewitness Travel Guide Europe will lead you straight to the best attractions this diverse continent has to offer from the majestic peaks of the Alps to the turquoise waters of the Mediterranean This newly updated guidebook is packed with information on the culture history architecture and art of the continent in addition to the best of Europe s gardens beaches cathedrals castles and shopping DK s insider travel tips and essential local information will help you discover Europe your way whether you want to explore the luscious green landscape of Ireland relax on a beach in Greece or both Discover DK Eyewitness Travel Guide Europe Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights Detailed city maps include street finder indexes for easy navigation Insights into history and culture to help you understand the stories behind the sights Hotel and restaurant listings highlight DK Choice special recommendations With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Europe truly shows you what others only tell you **The Rough Guide to Great Britain** Rough Guides, 2015-06-09 The new full color Rough Guide to Great Britain is the definitive guide to Rough Guides home patch Discover the best of what Britain has to offer with detailed
