If they do, they might just find out what happened to the baby who disappeared, the mother who lost her, and the connections that bind them. In the style of *Daisy Darker* and *Rock Paper Scissors*, *Good Bad Girl* is a thriller in which nobody can be trusted and the twists come fast and furious. **Lucky Charms**

John Reed Middleton, 2020-04-21. **LUCKY CHARMS** is a play for students in Years 6, 7, or 8, Level 3. It is designed for a normal-sized English class and for students with varying interests in acting. Since there are 43 speaking roles and as many as ten dancers, students who enjoy acting can perform in several scenes and play to their heart's content, whereas students who aren't particularly keen on acting only have one role to master in one single scene. Every scene deals with good or bad luck, and sometimes specifically with lucky charms. And with the help of the two hosts, the professor and MC Tony, the audience is given the chance to contemplate the concept of luck. The play consists of dialogues between the two hosts and scenes with as many as eight to 13 performers. The themes are partly geared to the thoughts and dreams of students today: winning or discovering a lot of money, having the best cell phone, feeling that something good is going to happen or fearing that misfortune is on its way, and the scenes offer young actresses and actors the opportunity to experience a wide range of characters while performing. The plots are not always believable, but they are understandable; the language is idiomatic and easily accessible for English learners. **LUCKY CHARMS** works well when performed for smaller audiences, parents, and other classes. But it can also be highly entertaining for a large audience. Performing time: about one hour. Of course, it is also possible to select individual scenes and perform them as simple skits outside the context of **LUCKY CHARMS**. In that case, it is still recommendable to create a suitable setting for presenting the skits to an audience. The true joy of performing a foreign language play is to feel it click, to realize that the people watching the performance don't only get the picture; they are also delighted to see a story come to life when presented in English by non-native performers. By purchasing the play, you automatically obtain the stage rights.

Wild Sign Patricia Briggs, 2021-03-16. Mated werewolves Charles Cornick and Anna Latham must discover what could make an entire community disappear before it's too late in this thrilling entry in the 1 New York Times bestselling Alpha and Omega series. In the wilds of the Northern California mountains, all the inhabitants of a small town have gone missing. It's as if the people picked up and left their possessions behind. With a mystery on their hands and no jurisdiction on private property, the FBI dumps the whole problem in the lap of the land owner, Aspen Creek Inc., aka the business organization of the Marrok's pack. Somehow, the pack of the Wolf Who Rules is connected to a group of vanished people. Werewolves Charles Cornick and Anna Latham are tasked with investigating and soon find that a deserted town is the least of the challenges they face. Death sings in the forest, and when it calls, Charles and Anna must answer. Something has awakened in the heart of the California mountains, something old and dangerous, and it has met werewolves before.
