The Old Things:

A collection of many select and Christian epistles, letters and testimonies, written on sundry occasions, by that ancient, eminent, faithful Friend and minister of Christ Jesus, George Fox George Fox,1831 *Great Sogolon's House* David Courtney Conrad,2025-08-27 The unusually long version of West African Mande epic transcribed and translated for this book is an extravagant demonstration of the extremes to which Mande bardic artistry can be carried The text presented here is the result of multiple recording sessions with an extraordinarily creative oral artist who augmented key episodes of the Sunjata epic that devolved to him from his own father as well as previous generations of Maninka and Bamana griots of north eastern Guinea and southern Mali In marked contrast to versions of the Sunjata epic recounted by other griots an essential part of this narrator s performance style is to season familiar episodes with cultural details and digress into explanations not usually offered by other bards

Newborn Socialist Things Laurence Coderre,2021-06-28 Contemporary China is seen as a place of widespread commodification and consumerism while the preceeding Maoist Cultural Revolution is typically understood as a time when goods were scarce and the state criticized what little consumption was possible Indeed with the exception of the likeness and words of Mao Zedong both the media and material culture of the Cultural Revolution are often characterized as a void out of which the postsocialist world of commodity consumption miraculously sprang fully formed In *Newborn Socialist Things* Laurence Coderre explores the material culture of the Cultural Revolution to show how it paved the way for commodification in contemporary China Examining objects ranging from retail counters and porcelain statuettes to textbooks and vanity mirrors she shows how the project of building socialism in China has always been intimately bound up with consumption By focusing on these objects or newborn socialist things along with the Cultural Revolution s media environment discourses of materiality and political economy Coderre reconfigures understandings of the origins of present day China

Commentaries on the Minor Epistles of Paul Theodore (Bishop of Mopsuestia),2010 The most famous representative of the school of Antioch Theodore of Mopsuestia penned a number of commentaries on biblical books in both Testaments This volume offers not only an introduction to Theodore s life and work but also the first modern language translation of his commentaries on Paul s minor epistles Galatians Philemon The English translation is accompanied by a facing Latin Greek text based on H B Swete s 1880 1882 critical edition of these early fifth century commentaries As a prime example of Antiochene exegesis and theology they are of considerable interest providing valuable evidence for Theodore s exegetical principles and practice his Christology and doctrines of grace and free will and his understanding of crucial developments in Christian ministry and church polity from the time of Paul to his own day *Notes, Explanatory and Practical, on the Second Epistle to Corinthians and the Epistle to the Galatians. By Rev. Albert Barnes ... Edited ... by Rev. Ingram Cobbin* Albert Barnes,1852 **Hope Beyond Bars** Jedidiah Duaya,2018-06-23 Being behind bars doesnt make you as an inmate less of a

human being Therefore do not identify yourself with your temporary situation But since you are behind bars you need to take responsibility And while taking responsibility you need to forgive yourself and forgive those who might have done you wrong And once you forgive then you need to live life in jail in prison or under house arrest by following rules and demonstrating good behavior to help make your sentence easier and maybe shorter And until you get free do not waste your time in a cell doing nothing of value instead put your potential abilities and gifts to use And lastly mentally prepare yourself to live life beyond bars by applying every single lesson learned from the cell The church and society need to address the issue of ex inmates reentry as partners and complement each other in facing this issue The society and the church need to understand that just because these individuals are behind bars that doesnt make them any less human than everybody else They have a right to live a right to be forgiven and a right to be accepted back into society These individuals are called inmates while serving time but once they have paid their dues and are set free that name changes to ex inmates and should eventually switch to citizens Where society falls short the church needs to pick up the slack and serve these citizens And where the church falls short society needs to step in and help these citizens We cannot afford to let these ex inmates live in a life cycle where they go in and out of jail prison and house arrest We have to prove the statistics wrong Society can provide programs to help these citizens reintegrate much more smoothly The church can finally become what it was intended to be and provide a safe environment in which these restored citizens will live a life worthy of being called citizens and not return to old behavior and a life back behind bars *The Christian reformer; or, Unitarian magazine and review [ed. by R. Aspland].*
