The On Point:

On Point Pam Borton, 2016-09-20 On Point gives you a seat on the bench with one of the nation's top women's basketball coaches. Distilling a 27 year coaching career into crucial lessons On Point drives home the essence of effective leadership under pressure, stress, and times of chaos. On Point delivers the practical knowledge and skills leaders need to achieve success in life and business using stories from business, the courts, locker rooms, and press conferences. From leading a Big 10 basketball program to coaching high performing teams in business, leader-focused chapters provide a holistic view of attributes crucial for On Point leadership. On Point leaders will learn to Master the Front Court, establish the fundamentals that set leaders on the path to winning, Build A Strong Bench, develop a team with the right attitude, skills, and strength, Dominate At Center Court, integrate the core values of On Point leadership, Leverage the Locker Room, influence and motivate individual success, Defend Your Back Court, finish strong in your life and your work. *On Point* Del Harris, 2012 Practical and Spiritual Principles for Better Life Teams. We are inevitably on various Life Teams throughout our lives: family, school, business, church, and community, to name the most basic. Whether we are the de facto team leader or a role player, each of us would like our Life Teams to be winning ones. The Four Step System, described as a metaphor based on four wheels, is intended for all who desire to improve their Influence Quotient, which is a specific kind of intelligence: the ability to influence our teams for a positive outcome. This approach is different from the usual leadership mandates set out in so many books. We cannot all be leaders all the time, which would negate the concept of a team. But we do need to be good influences on others. The emphasis should be on acknowledging the value of every teammate's role while helping them prepare for times when they will need to step to the front to influence an outcome. Mastering the elements in the wheels of the Four Step System provides momentum and enables you to be On Point regardless of what role you play. The end game is to improve the performance of our Life Teams by cultivating meaningful relationships, which are far more rewarding than rings or trophies.

On Point Annabeth Albert, 2017-06-05 On Point is an exciting and emotionally satisfying story, and the Out of Uniform series continues to deliver well-crafted military romances. All About Romance: Never fall for your best friend. Pushing thirty with his reenlistment looming, decorated navy sniper Maddox Horvat is taking a long look at what he really wants in life. And what he wants is Ben Tovey. It isn't smart falling for his best friend and fellow SEAL, but ten years with Ben has forged a bond so intimate Maddox can't ignore it. He needs Ben by his side forever, heart and soul. Ben admits he likes what he's seen: his friend's full lower lip and the perfect muscles of his ass have proved distracting more than once. But Ben's still reeling from a relationship gone to hell, and he's not about to screw up his friendship with Maddox, too. Until their next mission throws Ben and Maddox closer together than ever before, with only each other to depend on. Now, in the lonely, desperate hours awaiting rescue, the real challenge: confronting themselves, their future, and their desires. Begins: Man to man, friend to friend, lover to lover. Out of Uniform Book 1, Off Base Book 2, At Attention Book 3, On Point Book 4, Wheels Up Book 5, Squared Away Book 6.
