The Other Side Of Rain:

The Other Side of Joy April Joy Bowden, 2012-05-17 The Other Side of Joy is a collection of poems that deal with the emotions and passionate moments we experience in relationships joy pain intimacy and ecstasy You will find rules for dealing with each emotion Each poem will allow you to laugh cry feel or wonder just how one can live with or without joy in their life Do you remember your first kiss Your first love A special place that always makes you feel good Can you recall having your heart broken Or how you felt when you had to tell someone goodbye Take this journey to reminisce on past or current relationships through poetry

The Other Side of Time Jonni Anderson, 2012-09 Stranded in the wrong universe Jacob Tunney lost his wife to cancer and his career to alcoholism But he'd begun his climb back to sanity and found the woman he could happily spend the rest of his life with Suddenly he is transported to another universe and she is left behind He must find his way back to her

The Other Side of You Salley Vickers, 2008-03-04 Vickers has turned a thwarted romance in to a serious page turner Time Out For psychiatrist and psychoanalyst Dr David McBride death exerts an unusual draw Despite his profession he has never come to terms with the violent accident that took his brother's life a trauma that has shaped his life But when a failed suicide Elizabeth Cruikshank comes into his care he finds the deepest reaches of his suppressed history being reactivated Elizabeth is mysteriously reticent about her own past and it is not until David recalls a painting by the Italian artist Caravaggio that she finally yields her story As she recounts the chance encounter which took her to Rome and her tragic tale of passion and betrayal David begins to find a strange and disturbing reflection of his own loss in the haunted other side of this elusive woman In distinctive graceful prose Salley Vickers explores the ways both love and art can penetrate the complexities of the human heart to invade and change our being and the possibilities of regeneration through another's vision and understanding A hypnotic chronicle of quiet desperation Vickers delivers wrenching conflicts of love within and outside of marriage Publishers Weekly A moving utterly engrossing novel The Guardian If you enjoy the work of Marilynne Robinson Penelope Fitzgerald James Salter or Anita Brookner you should be reading Vickers All these authors reflect with grace and gravity on life's moments of sorrowful epiphany Michael Dirda Washington Post

The Other Side of Now Paige Harbison, 2025-06-03 A hilarious and heartfelt novel about how loves and lives are never truly lost for fans of Rebecca Serle and Taylor Jenkins Reid With a leading role on a hit TV show and a relationship with Hollywood's latest heartthrob Meg Bryan appears to have everything she ever wanted But underneath her happiness is as fake as her stage name Lana Lord Following a tiny nervous breakdown at her thirtieth birthday party she books an impromptu trip to Ireland Specifically to the village where she and her best friend Aimee always dreamt of moving When Meg arrives the people in town don't just recognize her they seem to know her She quickly reluctantly realizes she has somehow slipped into an alternate reality One where she did move to Ireland as a teenager one where she never got famous and most shocking of all one where Aimee is alive and well She just wants nothing to do with Meg Despite her bewilderment Meg is clear eyed about

one thing this is a once in two lifetimes chance to reconnect with her friend and repair what she broke or else risk losing Aimee all over again *The Other Side of Midnight* Simone St. James,2025-08-26 No one mixes romance mystery and that faint spine tingling sense of the supernatural that curtain lifting in a breeze that isn't there the hair prickling on the back of your neck like Simone St James Her novels are the perfect combination of classic ghost story historical fiction and romantic suspense Lauren Willig London 1925 Glamorous medium Gloria Sutter made her fortune helping the bereaved contact loved ones killed during the Great War Now she's been murdered at one of her own sances after leaving a message requesting the help of her former friend and sole rival Ellie Winter Ellie doesn't contact the dead at least not anymore She specializes in miraculously finding lost items Still she can't refuse the final request of the only other true psychic she has known Now Ellie must delve into Gloria's secrets and plunge back into the world of hucksters lowlifes and fakes Worse she cannot shake the attentions of handsome James Hawley a damaged war veteran who has dedicated himself to debunking psychics As Ellie and James uncover the sinister mysteries of Gloria's life and death Ellie is tormented by nightmarish visions that herald the grisly murders of those in Gloria's circle And as Ellie's uneasy partnership with James turns dangerously intimate an insidious evil force begins to undermine their quest for clues a force determined to bury the truth and whoever seeks to expose it **The Other Side of the Sea** Louis-Philippe Dalembert,2014-11-11 The Other Side of the Sea the first novel by this major Haitian author to be translated into English is riveted on the other shore whether it is the ancestral Africa that still haunts Haitians the America to which so many have emigrated or even that final shore the uncertain afterlife awaiting us all With a grandmother and her grandson sharing the narration this rich and concise tale covers an impressive span of Haitian history and emotion Too old to leave her veranda Noub't reflects on her past touching on the 1937 Parsley Massacre in which thousands of Haitians died at the hands of Dominican soldiers and laments the exodus of so many young people from Haiti although ironically she dreamed of making the trip herself her name means New Boat in Creole Her story is juxtaposed with that of her grandson Jonas as he suffers the abandonment of friends including his lover who emigrated during the Duvalier dictatorships even feeling an urge to join them Perhaps most striking is the addition of a third voice that of an anonymous passenger in steerage recounting a slave ship's progress to the New World from Africa This voice from long ago provides a powerful depiction of the sights sounds and smells of the Middle Passage and a fascinating counterpoint to the evocations of modern Haiti CARAF Books Caribbean and African Literature Translated from French *The Other Side of Life* Andy Kutler,2021-05-03 December 1941 Pearl Harbor A peaceful Sunday morning turns into a devastating attack on American soil Naval officer Malcolm Mac Kelsey is severely wounded while defending his ship A flawed man abandoned long ago by his alcoholic wife Kelsey has been mired in despair and hopelessness following the accidental death of Lucy the young daughter he considers the only redemptive aspect of his life Near the point of death Kelsey is brought to what he believes to be an afterlife where he is offered an opportunity to shed his past memories and embark upon an alternate path in another place

and time Eager to escape his torment and begin a more tranquil existence Kelsey accepts only to feel quickly betrayed as he soon finds himself back in the midst of battle this time as a Union soldier at the dawn of the Civil War Through Antietam Gettysburg and four years of relentless fighting Kelsey attempts to cast aside his painful past while trying to survive the horrors of combat He crosses paths with compelling figures on both sides of the conflict determined to persevere and return to those they left behind Each will endure unimaginable hardship and will find their strength and resolve tested as they search for self purpose humanity and reconciliation Most of all Mac Kelsey will discover the very essence of life and death and whether the new beginning he has long coveted will bring him the inner peace he has so desperately sought Readers will find themselves immersed in this story and captivated by its principal characters James M McPherson Pulitzer Prize winning author of *Battle Cry of Freedom* and *The War That Forged a Nation* *The Other Side of Darkness* Melody Carlson, 2008
