The Boyfriend Game:

My Boyfriend's Game Yazhini Chandroo,2020-12-30 What if your whole life was a lie Blue Andrews is living with what she has she was never perfect and never will be She has gone through everything a person shouldn't Her life is always falling apart in some ways and she's adapted to it She forgets her past and tries to start new at New York but then he comes in and she needs to face something she's never been through Sky Walker is carefree as always He just doesn't care But it's time for him to do what he's told He is here to ruin her but everything falls apart slowly It's making him crazy because things always go his way But not now that's just a distant memory now that the game begins with her in his life Kendal Hughes is living her dream life after everything she's been through She's got the perfect boyfriend the perfect college and the perfect life she's always wished for but being perfect seems so odd and out of place for her having Charlie and those questions are killing her slowly One game one question three lives Everything changes when they start it One thing they've always feared Truths ugly truths will come out and they can't change it What's done is done What's there to redeem They need to think this through and finish it off But the bigger fear is what if it never ends *The Boyfriend Game* Dionne M.
