James and Jude are letters from James and Jude respectively who are half brothers of our Lord Jesus. The timeless truth that James presents is that believers must harmonize their faith and action. Our faith must be demonstrated in all situations of life at home, at work, in church, in the neighborhood. Jude writes to warn believers about false teachers and their heresy. He calls on believers to contend for the apostolic faith.

A Study of Petrine Christology from Key Texts in 2 Peter Kelly Adair Seely, 2021-10-19. Second Peter is full of christological language. Scholars have often overlooked the christological richness as they have focused heavily on the issues of eschatology and authorship. The uniqueness of the Son from the Father as well as the divinity of Jesus are at the forefront of the short epistle. Further, Ernst K. Semann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel. The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father. This study examines the christological depth in these key areas as a response to critics like K. Semann. K. Semann first looked into the eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation. The student of 2 Peter must not look through eschatology to see the rich Christology which fills the verses of the epistle. However, when the reader examines the christological language and themes within 2 Peter, he/she is faced with a beautiful portrayal of Jesus and the Father.
