The Cardinals Michael J. Walsh,2011 Although a highly visible part of the ecclesiastical furniture of the Roman Catholic Church and the Vatican for

thirteen centuries surprisingly little has been written about cardinals or apart from some notable individual biographies about the men who became papal princes The cardinals of the Roman Church are the nearly men of Catholicism those whose office since the 11th century has been chiefly to choose the Pope following efforts to wrest this power from Rome's nobility and militia This compelling history traces the origins and growth of the office of cardinal and tells the stories of some of the remarkable for all kinds of reasons men who have worn the red cap coveted by some refused on occasion and sometimes laid down in exchange for marriage though one maverick got wed in his red hat The Cardinals is an informative and entertaining look at the lives of some of the more colourful characters who have worn the cardinalial red or purple It reveals an unlikely company of saints and villains patrons of the arts and scholars cardinals who might have been pope but who were blackballed and cardinals who were deprived of the title because of their dissolute lives doubtful opinions or interference in papal policies There are diplomats in these pages statesmen kingmakers and soldiers There are members of royal and noble families and the son of a Doge of Venice And there are the cardinals whose fame simply lies in their goodness and their care of the dioceses entrusted to them *The Publishers Weekly*, 1928 *Know Thyself* Ingrid Rossellini, 2018-05-22 A Kirkus Reviews Best Book of 2018 A lively and timely introduction to the roots of self understanding who we are and how we should act in the cultures of ancient Greece the Roman Empire and Middle Ages and the Renaissance Know thyself this fundamental imperative appeared for the first time in ancient Greece specifically in Delphi the temple of the god Apollo who represented the enlightened power of reason For the Greeks self knowledge and identity were the basics of their civilization and their sources were to be found in where one was born and into which social group These determined who you were and what your duties were In this book the independent scholar Ingrid Rossellini surveys the major ideas that from Greek and Roman antiquity through the Christian medieval era up to the dawn of modernity in the Renaissance have guided the Western project of self knowledge Addressing the curious lay reader with an interdisciplinary approach that includes numerous references to the visual arts Know Thyself will reintroduce readers to the most profound and enduring ways our civilization has framed the issues of self and society in the process helping us rediscover the very building blocks of our personality A *Literary Companion to Rome* John Varriano, 1995-05-15 Arranged as a series of walks through the city this book is both an illuminating guide for the visitor to Rome and a delight to read at home for those who love the city and want to enrich their knowledge of it Includes 10 walking tours illustrations *Anderson's Travel Companion* Compiled by Sarah Anderson, 2016-12-05 A selection of the best in travel writing with both fiction and non fiction presented together this companion is for all those who like travelling like to think about travelling and who take an interest in their destination It covers guidebooks as well as books about food history art and architecture religion outdoor activities illustrated books autobiographies biographies and fiction and lists books both in and out of print Anderson's Travel Companion is arranged first by continent then alphabetically by country and then by subject cross referenced where necessary There is a separate

section for guidebooks and comprehensive indexes Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects She is known by well known travel writers such as Michael Palin and Colin Thubron Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the Travel Companion

Garden History Tom Turner,2005-09-01 An updated version of this book is now available as European Gardens 2011 also by Tom Turner Expanding into other regions are Asian Gardens 2010 and the forthcoming British Gardens both also by Turner and published by Routledge Tom Turner well known teacher and writer in landscape architecture garden design and garden history here explores more than 150 gardens over four millennia of Western garden design He considers the why the what the how and the where of garden design by tracing the development of gardens through history and across social political and philosophical boundaries Fully illustrated throughout each chapter critically examines a particular type of garden both as part of a wider socio political context and as an aesthetic entity asking how the design of each garden reflects the philosophical approach of its creator Inspirational reflective and informative this book brings together knowledge and understanding from a diverse range of related interests to add depth and breadth to a fascinating subject
