*Holy War, Holy Peace* Marc Gopin, 2002-04-11 The Intifada of 2000 2001 has demonstrated the end of an era of diplomacy in the Arab Israeli conflict The style of peacemaking of the Oslo Accords has been called into question by the facts on the ground Elite forms of peacemaking that do not embrace the basic needs of average people on all sides are bound to fail The complete neglect of deeper cultural and religious systems in the peace process is now apparent as is the role that this neglect has played in the failure of the process Building on his earlier book *Between Eden and Armageddon* Gopin provides a detailed blueprint of how the religious traditions in question can become a principal asset in the search for peace and justice He demonstrates how religious people can be the critical missing link in peacemaking and how the incorporation of their values and symbols can unleash a new dynamic that directly

addresses basic issues of ethics justice and peace Gopin s analysis of the theoretical theological and political planes shows us what has been achieved thus far as well as what must be done next in order to ensure effective final settlement negotiations and secure sovereign democratic countries for both peoples
