**Jewish Resistance Against the Nazis** Patrick Henry, 2014-04-20 This volume puts to rest the myth that the Jews went passively to the slaughter like sheep Indeed Jews resisted in every Nazi occupied country in the forests the ghettos and the concentration camps The essays presented here consider Jewish resistance to be resistance by Jewish persons in specifically Jewish groups or by Jewish persons working within non Jewish organizations Resistance could be armed revolt flight the rescue of targeted individuals by concealment in non Jewish homes farms and institutions or by the smuggling of Jews into countries where Jews were not objects of Nazi persecution Other forms of resistance include every act that Jewish people carried out to fight against the dehumanizing agenda of the Nazis acts such as smuggling food clothing and medicine into the ghettos putting on plays reading poetry organizing orchestras and art exhibits forming schools leaving diaries and praying These attempts to remain physically intellectually culturally morally and theologically alive constituted resistance to Nazi oppression which was designed to demolish individuals destroy their soul and obliterate their desire to live Reading Paul within Judaism Mark D. Nanos, 2017-10-17 The dominant portrayals of the apostle Paul are of a figure who no longer valued Jewish identity and behavior opposing them for both Jew and non Jew in his assemblies This prevailing version of Paul depends heavily upon certain interpretations of key flashpoint passages In this book and the subsequent volumes in this

series Mark Nanos undertakes to test a Paul within Judaism re reading of the apostle especially of these flashpoint texts Nanos demonstrates how traditional conclusions about Paul and the meaning of his letters are dramatically altered by testing the hypothesis that the historical Paul practiced a Jewish Torah observant way of life and that he expected those whom he addressed to know that he did so Nanos also tests the hypothesis that the non Jews addressed were expected to know that his guidance was based on promoting a Jewish way of life for themselves at the same time insisting that they remain non Jews and thus not technically under Torah on the same terms as himself and the other Jews in this new Jewish movement In conversation with the prevailing views Nanos argues that the Paul within Judaism perspective offers not only more historically probable interpretations of Paul s texts but also more promise for better relations between Christians and Jews because these texts have informed Christian concepts of ways of talking about and behavior toward Jews based on the premise that Paul considered Jews and Judaism the mirror opposites of what Christians should be and become *Jewish Ritual* Rabbi Kerry M.
