heralded a querying of the tinker fantasy that has shaped contemporary screen and literary representations of Travellers and has prompted Traveller writers to transubstantiate Otherness into the empowering rhetoric of ethnic difference Though its Irish equivalent has oscillated between idealization and demonization US racial history facilitates the cinematic figuring of the Irish American Traveler as lovable white trash rogue This process is informed by the mythology of a population with whom Travelers are allied in the white American imagination the Scots Irish Ulster Scots In short the tinker is much more central to Irish Northern Irish and even Irish American identity than is currently recognised
