Cherokee Myths and Legends Terry L. Norton,2014-11-19 Retelling 30 myths and legends of the Eastern Cherokee this book presents the stories with important details providing a culturally authentic and historically accurate context Background information is given within each story so the reader may avoid reliance on glossaries endnotes or other explanatory aids The reader may thus experience the stories more as their original audiences would have This approach to adapting traditional literature derives from ideas found in reader response and translation theory and from research in cognitive psychology and sociolinguistics

Garner on Language and Writing Bryan A. Garner,2009 Since the 1987 appearance of A Dictionary of Modern Legal Usage Bryan A Garner has proved to be a versatile and prolific writer on legal linguistic subjects This collection of his essays shows both profound scholarship and sharp wit The essays cover subjects as wide ranging as learning to write style persuasion contractual and legislative drafting grammar lexicography writing in law school writing in law practice judicial writing and all the literature relating to these diverse subjects

Writing Scientific English Timothy Skern,2019-10-07 Success in science depends nowadays on effective communication in English This workbook is specifically designed to give under and post graduates confidence in writing scientific English Examples and exercises show how to avoid common errors and how to rephrase and improve scientific texts The generation of a model manuscript enables the reader to recognise how scientific English is constructed and how to follow the conventions of scientific writing Guidelines for structuring written work and vocabulary lists will encourage young scientists to develop a concise and mature style The workbook is accessible to students of many fields including those of the natural and technical sciences medicine psychology and economics

Stylistics in a Second Language Context Rubina Kamran,2009-06 In most institutions the study of second language literary works has become a dead exercise of learning facts figures and critical opinions about those works The author feels that the judicious use of approaches suggested in stylistics would help second language students to judge things for themselves in a context not naturally attuned to the underlying assumptions of that literature These things would include the use of language thus helping the ESL learner to develop an understanding of the dynamics of the language
